IN WATER** such as- crocodile, turtle, frog ,
ducks etc.

Written Work

Q1 What are wild animals? Give examples.

Ans. The animals that live in forests, seas and mountains are called wild animals . They take care of themselves. For example- lion, shark, reindeer, tiger etc.

Written Work

Q2 What are domestic animals? Give examples.

Ans. The animals that are trained to help people are called domestic animals. People take care of them. For example-dog, horse cow, ox ,hen etc. They are also called farm animals.

Written Work

Q3 Why were some animals domesticated?

Ans. Hundreds of years ago, people found that some animals could be of use to them or help them , so, they tamed or domesticated such animals. For example-horse, camel, dog, cow, hen, goat etc.
