"The highest education is that which does not merely give us information but makes our life in harmony with all existence." - Rabindranath Tagore

From the Principal's Desk

Greeting!

I am elated to share that in our academic journey, we have made remarkable progress in both our curriculum and co-curricular activities, and we will continue to build on this momentum.

The hard work and dedication of students and teachers have truly shone through, setting a high standard for excellence.

With the approaching of the first-term examinations, I wish to address the student community to stay focused and put forth their best effort.

These exams are an opportunity to showcase your hard work and understanding of the concepts, and I have every confidence in your ability to excel.

To ensure you are well-prepared, it is crucial to develop a study plan and manage your time wisely. This will help you avoid last-minute stress and ensure that you cover all necessary topics.

As the saying goes, "A healthy mind resides in a healthy body," so it is also vital to prioritize nutritious eating and regular exercise. Remember, effective preparation is key to performing confidently.

All the Best!

Shalini Agarwal

Principal

Competition

Tearing and Pasting Competition was conducted for the students of Nursery. Children tore colourful paper into small pieces and pasted them in a given outline. The tiny tots for Kindergarten participated in Rakhi Making Competition showcasing their artistic skills and creativity. It was heartwarming to see the joy on their faces as they completed their rakhis.

Assemblies

The children of Nursery and Kindergarten showcased their creativity and knowledge through a series of engaging class assemblies on the topics 'Colours', 'Fruits and Vegetables', 'My school' and 'Road Safety'. The students of Nursery C and D conducted a Special Assembly on 'Independence Day'. Children presented a dynamic march past and spoke about the importance of this day. The event left a positive impact on the young minds, fostering love for their country.

Independence Day Celebration

The Nursery and Kindergarten students enthusiastically celebrated the 78th Independence Day by engaging in a variety of patriotic activities like Tricolour Handprint, Tricolour badges and Role Play. A PowerPoint presentation was also shown to foster awareness about the significance of this day.

Rakshabandhan Celebration

A Rakhi Making activity was organised for the students, where tiny hands crafted vibrant rakhis. The significance of the festival was explained, highlighting the bond of love and protection between siblings. The joyful celebration filled the air with excitement, making it a memorable experience for all.

Janmashtami Celebration

The Janmashtami celebration for Grade Nursery and Kindergarten was a joyous experience for our young learners. They wholeheartedly engaged in various art and craft activities centered around Janmashtami. It gave them an opportunity to connect with the story of Lord Krishna.

Parental Interface

The Parental Interface Programme -'Healthy Vs Junk Food' unfurled with great zeal. This engaging initiative helped in educating them about the advantages of eating healthy food and disadvantages of eating junk food. Parental Interface-Traffic rules for Kindergarten was a great success. The parents took the lead in teaching the student about the basic safety rules.

Blue Day Celebration

The students of Nursery came dressed in various shades of blue creating a lively environment. Each child brought a blue object from home and spoke about it. Blue day was a great success filled with laughter and learning.

Show & Tell

A Show and Tell activity was organised on the topics 'My House' and 'My Favourite Community Helper'. With colourful props and beaming smiles, the Nursery children talked about their house and what makes it unique. The Kindergarteners talked about the community helper they admire the most. This engaging activity helped them to express their personal experiences and instilled confidence in them.

Kiddies Kitchenette

The students of Nursery brought tri-coloured sandwiches in their tiffins. They were excited to see their sandwiches reflect the colours of Indian flag. Our young chefs of Kindergarten prepared Biscuit Traffic Light using the various ingredients. These activities encouraged creativity, making learning interactive and enjoyable.

Outing

An outing to Dolls Museum was organised for the tiny tots of Kindergarten. The children were fascinated to see the variety of dolls and their colourful costumes. It offered a unique opportunity to learn about the world cultures in a memorable way.

Science Experience

The Nursery children were introduced the basic concept of volcanoes in a fun and visual way. The children watched in awe as the lava overflowed from the volcano. This hand-on activity encouraged curiosity and provided a memorable experience.

Our Achievements Keep Soaring!

"Persistence is the path to success."

It was indeed a proud moment for Summer Fields School, Kailash Colony when the students of Junior Wing, **Jeevika Rawat** of Class 3G and **Anisha Gaur** of Class 3D, each bagged a bronze medal in 9-14 year age category in Yogasana Danga Championship 2024-25. Hats off to the winners!!

Capturing The Moment of Triumph....

"Success is the sum of small efforts - repeated day in and day out."

The students of Summer Fields School, Kailash Colony had participated in an event held in KR Mangalam World School, Vaishali with a theme, Ecosphere – 21st Century skills. The top performers got awarded with certificates. **Raima Seal**, **Aarna Mangain** and **Pragya Ranjan** of Class V secured the second position, bringing great honour to the school.

Kudos to all the participants and Congratulations to all the winners!!

Proud Moments Are Made to Be Shared

10th Asian Taekwon-Do (ITF) Championship 2024

There are no secrets to success. It is the result of preparation, art, work, and learning from failure." - Colin Powell

On 23 August 2024, the students of Summer Fields School, Kailash Colony ventured into the uncharted territory of the 10th Asian Taekwon-do (ITF) Championship 2024 and emerged victorious. This spectacular event took place at Koramangala Indoor Stadium, Bengaluru, Karnataka. Withranging from 8 to 70 years of age, representing 28 countries across the continent, the competition was fierce. Motivated by Principal Ms. Shalini Agarwal and Coach Mr. Bharat Kamat, the students won 1 Gold medal and 1 Silver medal at the championship. From Primary wing Arsh Yadav of Grade V bagged silver medal, bringing laurels to our country as well as to the school fraternity.

TREE PLANTATION DRIVE

Stride for a cleaner and a greener nation

On August 9, 2024, Summer Fields School, Kailash Colony, successfully conducted a significant plantation drive in Sarvodaya Enclave, New Delhi. This event witnessed enthusiastic participation of the students, who actively engaged in planting tree saplings throughout the locality. The school gathered approximately 500 saplings, which were used during the event.

This initiative aimed to inspire students to continue advocating for green practices and to become active contributors to environmental conservation. Engaging in plantation drives educates students about environmental stewardship and the significance of sustainable practices.

To conclude, the successful execution of the plantation drive reflects the school's commitment to fostering environmental consciousness among students and making a tangible positive impact on the community.

CLASS ACTIVITIES

Enjoy While Learning!

Learning by doing leads to a better retention of information, fosters team work and helps the students see the relevance of learning in everyday life. It is a powerful approach to acquire knowledge and skills. The students get involved in various hands-on experiences and experimentation.

Learning Concepts Is Fun!

Activity based learning is an integral part of the curriculum of our school as it helps the students connect theoretical concept to real world applications. Practical experiences help to simplify complex concepts & theories. Also learning through activities helps to instill confidence in the students.

SCHOOL ASSEMBLIES.....

Today marks the beginning of the rest of your life.

Assemblies in school is a vibrant gathering that brings together the entire student body for various purposes. They not only serve as a platform of all round development of students' personality but also create a positive and spirited atmosphere within the school community.

The students of Classes III A & III B presented a Special Assembly on **Van Mahotsav-The Festival of Trees** on 31 August 2024 with the motto - Plant a tree, nurture a dream. A variety of activities flooded the stage with enthusiasm.

The students of Classes II E & II F presented a Special Assembly on 9 August 2024 on the topic **Independence Day**. The assembly was an inspiring and informative event celebrating the country's advancements and achievements. It aimed to highlight India's growth in various sectors and the positive changes shaping the future. It included cultural performances such as dances and songs depicting our diverse culture.

'IT'S SOCIO-SPHERE TIME'

"Hands-on experience is the best way to learn."

Learning by doing is a cornerstone methodology for teaching essential concepts and fostering inquisitive minds. This engaging approach not only makes learning enjoyable but also develops vital skills like communication, creativity, teamwork and problem-solving. With these objectives, our school organized Social Science Week for the Primary Wing from 5 August 2024 to 9 August 2024. A diverse range of activities, including an Intra-Class Fancy Dress Competition, Tri-Colour Activity, Collage-Making, Go Eco-Friendly (Paper-Bag Making), Map Marking, Know Your Country (Quiz Competition) and so on, provided students with hands-on experiences.

Notably, these experiences cultivate compassion and curiosity among students, essential for their overall growth and development.

CBSE WORKSHOP ON "STORY TELLING AS A PEDAGOGY"

On August 24, 2024, Summer Fields School hosted a CBSE workshop on 'Storytelling as a Pedagogy,' aimed at enhancing teachers' instructional techniques through storytelling. The session, led by Ms. Nishi Phogat, explored storytelling as a dynamic educational tool to boost students' engagement and comprehension. The facilitator demonstrated various storytelling techniques entwined with hands-on activities. The workshop provided valuable insights and practical tools for teachers to enrich their instructional practices.

Congratulations to all the participants, winners, and our school teams for their outstanding achievement! Special thanks to our Principal for her motivation and support.

A GIST OF HANDS ON EXPERIENCE - CLASSROOM ACTIVITY

Science experiments invite children to ask questions and explore the world around them. These hands-on activities pique their curiosity and encourage them to seek answers.

In order to enhance their skills, an individual Activity in Science entitled 'Acid-Base test using turmeric' was conducted for the students of class VII.

The students had prepared turmeric paper which is a practical tool for identifying acidic and basic substances. They had performed the activity successfully.

This experiment highlights the usefulness of natural indicators in understanding chemical properties and pH level.

A lot of enthusiasm in participating and a sense of achievement were visible in the sparkling eyes of the children.

78TH INDEPENDENCE DAY CELEBRATION

Summer Fields School, Kailash Colony successfully celebrated the 78th Independence Day on 14th August 2024 marked with great enthusiasm and patriotic fervor. The Chief Guest, Ms. Pratibha Chaudhary, Additional Commissioner of Income Tax (IRS) graced the occasion with her benign presence.

The ceremony commenced with the hoisting of the National followed by the singing of the National Anthem.

The inspirational welcome speech and the motivational address by the Chief Guest elevated the spirit of the event.

The exuberant cultural extravaganza added patriotic zeal to the occasion

The Independence Day celebration at Summer Fields School was a heartfelt tribute to the nation, reflecting the school's commitment to instilling patriotic values in the students.

Special Assembly World Hiroshima Day

Classes of XI-A and XI-B presented a unique yet an incredible and mesmerizing assembly on the topic “World Hiroshima day”. The Assembly commenced with a thoughtful quote by Gandhiji, “The day the power of love overrules the love of power, the world will know peace.” this quote was then followed by a motivational thought on the topic, “It’s during our darkest hours that we must focus to see the light”.

By combining a beautiful poem, an informative speech, a dramatic skit, and an engaging quiz, the students effectively conveyed the message of Hiroshima's resilience and strength. This multifaceted approach not only informed but also involved the audience, making the event memorable and meaningful.

The Principal, Ms. Shalini Aggarwal's closing words likely added a final touch of inspiration, reinforcing the themes of courage and perseverance.

Such assemblies can have a profound effect, leaving students with a deeper understanding of historical events and the enduring human spirit.

Special Assembly National Sports Day

Indian National Sports Day is celebrated annually on 29th August to commemorate the birth anniversary of legendary hockey player Major Dhyan Chand.

Class IXA presented their class assembly on the same topic –“National Sports Day” on 21 August 2024.

The assembly was both engaging and educational. A thought-provoking commentary, combined with the skit emphasizing the importance of exercise and sports, captured the students' attention and conveyed valuable messages about health and wellness.

The prize distribution added a special touch, recognizing achievements and encouraging participation. The Principal’s motivating speech at the end was a great way to reinforce the day's themes and leave everyone feeling inspired. Overall, it was a well-rounded and effective assembly that combined learning with a sense of achievement and motivation.

A VISIT TO THE TIMES OF INDIA OFFICE

On 29 August 2024, the Principal, Ms. Shalini Agarwal along with Ms. Regina Dass and Ms. Radhika Goenka of the English Department, and with the dynamic Student Editorial Team of Summer Fields School

visited the Times of India headquarters for an enriching and insightful experience. The school team worked hard for the publication of the guest edition that was released on August 30, 2024. The students got hands-on experience about the printing processes right from the base level. They indulged in the world of copywriting, editing and the influential graphic designing. Being around various editors, journalists, designers, artists and reporters gave the students a new lens to look at the world of newspaper publication. Our talented prodigies were facilitated with a promising career of journalism with this opportunity. The students were addressed by the National Editor, Ms. Poonam Singh who spoke about the importance of print media and how reading is a necessity for today’s generation. In a nutshell, the students embarked on the journey of transforming their dreams into reality and had an amazing time there.

Biding Adieu to our retiring teachers!

It was truly a moment of overwhelming emotions as we bid farewell to our dear Mala Ma'am and Renu Thakkur Ma'am, who are known for their incredible dedication towards their profession.

The heartfelt farewell ceremony commenced with a warm welcome by the Principal Ms. Shalini Agarwal, who set the tone of reflection and gratitude. The respectful retirees were treated with a series of speeches and tributes in which included musical numbers, poems and dance, each highlighting the profound impact these teachers have had on their students and the school community. As part of the ceremony, Mala Ma'am and Renu Ma'am were presented with personalized gifts, symbolizing the school's gratitude and admiration.

It was indeed a poignant reminder of the significant role teachers play in shaping the lives of their students. The event was a fitting tribute to their years of dedicated service and a celebration of their well-deserved retirement.

Creative Corner

The Art of Life Skills

In the grand mosaic of our days,
 Life skills weave in countless ways,
 Threads of wisdom, softly spun,
 Guiding us from dusk till sun.
 From learning how to mend and make,
 To navigating paths we take,
 Skills for living, rich and vast,
 Shape our future, tell our past.
 Communication, clear and true,
 Bridges gaps and builds anew,
 Empathy in every glance,
 Turns mere moments into chance.
 With problem-solving at the core,
 We unlock life's hidden door,
 Adaptability and grace,
 Help us find our rightful place.
 Time management, a gentle art,
 Keeps us steady from the start,
 Balancing both work and play,
 Makes each moment count each day.
