Hi kids

Today we are going to learn about a very cute animal

They are difficult to catch and they are cat's prey

Can anyone guess which animal is it ?

It's mice

So let's recite and learn poem today

The title of our poem is

Mice Are Nice

I think mice

are rather nice

Their tails are long ,

Their faces small.

They haven't any

chins at all.

Their ears are pink,

Their teeth are white.

They run about

the house at night.

They nibble things

they shouldn't touch.
