REPORT ON THE FELICITATION CEREMONY OF THE 39th ARYABHATTA INTER SCHOOL COMPETITION-2022

***“Genius is the gold in the mine;
talent is the miner that works and brings it out.”***

– Marguerite Blessington

Summer Fields School, Kailash Colony felicitated the blossoming Mathematicians who excelled in the prestigious 39th Aryabhatta Inter School Mathematics Competition 2022. With an undeterred spirit to continue the legacy of hosting the Aryabhatta Inter School Mathematics Competition, Summer Fields School virtually conducted the Competition and thereafter held an online Felicitation Ceremony on 11 February 2022. It was overwhelming to witness around 5282 students from 155 prestigious and prominent schools from all over India participate enthusiastically. The Chief Guest, Professor Dr S Dharmaraja, Head, Department of Mathematics, Indian Institute of Technology, Delhi, graced the occasion with his benign presence.

The function was conducted with the highest degree of solemnity and passion. The event commenced with the ceremonial lighting the lamp, signifying the elimination of darkness and negativity.

The Principal welcomed the distinguished guests and congratulated all the young budding prodigies. She also appreciated the parents and teachers who have played an instrumental role in flowering of genius and adorning children with the benediction of knowledge. She further expressed her profound desire for the melody of mathematics to be reverberating in the ambience and the legacy of Aryabhatta to remain enshrined in every heart.

A sense of pride and excitement was evident when the Class wise results of winners were announced while their photographs with the School details were displayed on screen. All the winners were applauded for the incredible achievements. E-Certificates were awarded to all the winners.

The proud recipients of Class V Winners Trophy were the students of Modern Delhi Public School, Sector 89, Greater Faridabad and Runners Up Trophy was bagged by Amity International School, Sector 44, Noida. The proud recipients of Class VIII trophy were the students of Modern Delhi Public School, Sector 87, Greater Faridabad and Runners Up Trophy went to Modern Vidya Niketan Senior Secondary School, Sector-17, Faridabad. The Mathematical wizards who proved their prowess in Class XI ‘Aryabhatta Hall of Fame’ were Modern Delhi Public School, Sector 87, Greater Faridabad students and runners up Trophy was bagged by Modern Vidya Niketan Sr. Sec. School, Sector-17, Faridabad.

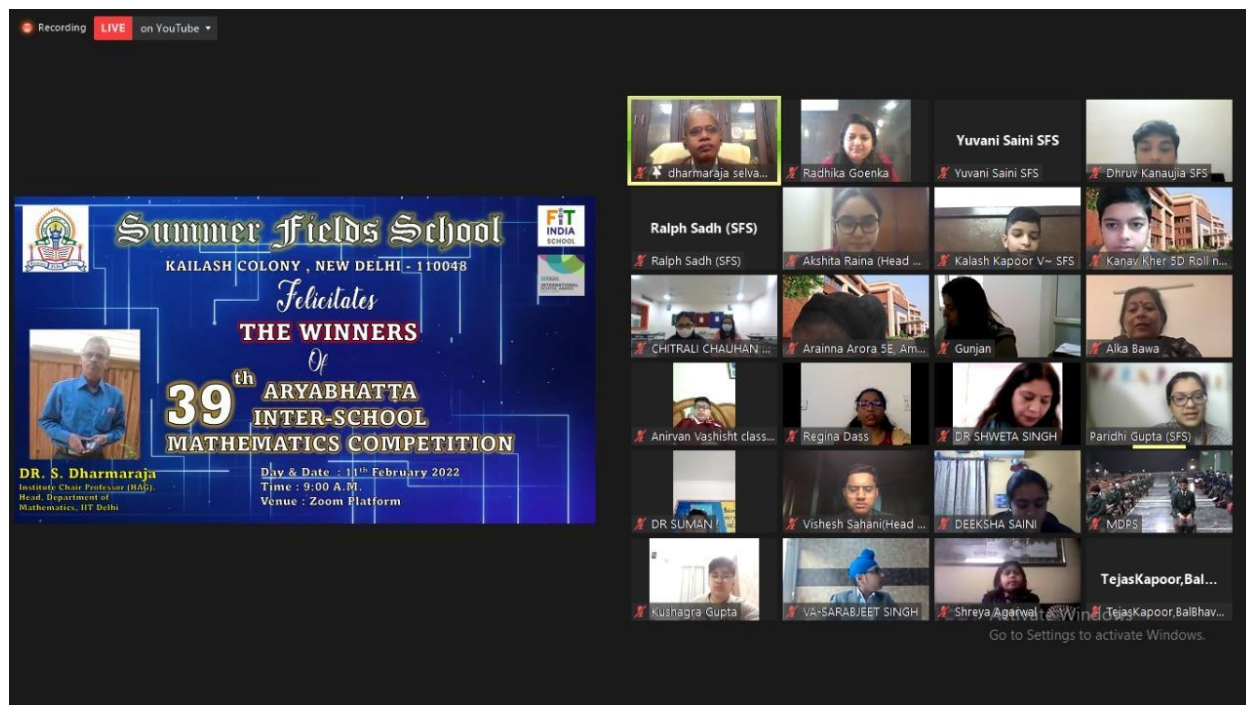

The event exuberated with the cultural extravaganza. The enthralling classical dance “He Ganaraya” followed by the Slide sharing “Down the Memory Lane” had an energizing aura in the air. A dazzling dance performance “Dance Jugalbandi” depicting the fusion dance of India captivated the audience. To add to the high-spirited cultural event, we had a lively English song “How Far I’ll Go” followed by a thought-provoking Hindi Skit “Aadhunikta Ki Hod Me, Bachchon Ki Badalti Maansikta”, which successfully conveyed a powerful message on the importance of moral values, ethics and integrity. The cultural events reached its phase of glory with the Special Dance Rendition “A Journey of Self towards Enlightenment”. The event was elated with the beautiful cultural performances by the students.

Our Chief Guest was impressed with the scintillating performances and the rank holders. He congratulated the achievers and motivated them to continue to strive towards the pinnacle of success.

The programme culminated with the Vote of Thanks proposed by the Head Boy, Vishesh Sahni and Head Girl, Akshita Raina followed by the National Anthem. The event was undoubtedly a memorable one and a grand success.

We express our gratitude to our School Management for being a great monumental support in all our endeavours and for providing us a wonderful and enlightening exposure to the world of knowledge and wisdom thereby motivating us to attain perfection in all arena of life.

HERE ARE A FEW GLIMPSES OF THE CELEBRATIONS

Our Chairman

Today when the world is in a state of intellectual turmoil, there is tremendous dissatisfaction with the existing conditions. Far-reaching changes are taking place before our eyes.

The rapidly changing times demand an equally paced education and the multidimensional facets of our society require healthy, social, cultural, and academic development.

Keeping with the times we at Summer Fields School emphasizes the enhancement of these qualities and ensure that education is the transmission of our civilization
