SKIP COUNTING BY 5's

Let's start by watching this video and learn this song .
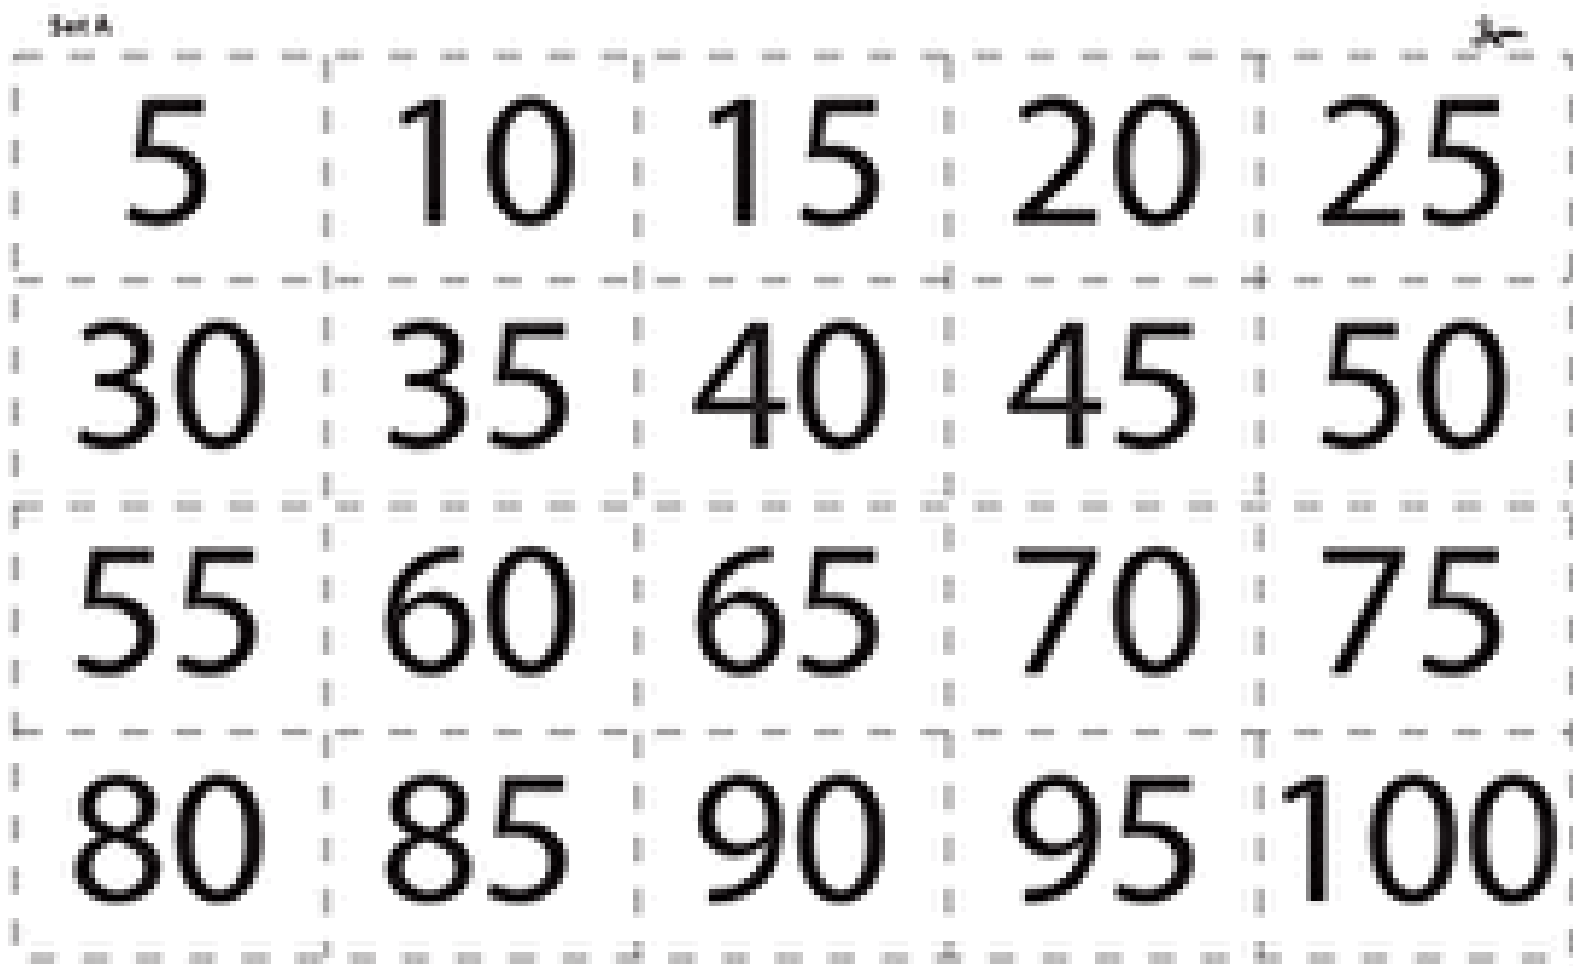

https://youtu.be/EemjeA2Djjw

The concept on skip counting by 5's or fives is an essential skill to learn when making the jump from counting to basic addition.

Skip Counting: Number Cards

Directions: Cut each set of cards and place them in bags or envelopes. Use them to discuss number sequences and relationships between numbers.

Set A

5	10	15	20	25
30	35	40	45	50
55	60	65	70	75
80	85	90	95	100

Skip Counting by 5

Fill in the blank with the missing number. Remember you are counting by 5.

15	20	**25**	30	35	**40**
60	**65**	70	75	**80**	85
5	**10**	**15**	20	25	**30**
75	80	**85**	90	**95**	100
20	25	30	**35**	40	**45**
80	85	**90**	95	**100**	105

Let's do this exercise in our practice notebook.
