RAINBOW

A Rainbow
(sing to "My Bonnie Lies Over the Ocean")

A rainbow is formed by the sunlight,
Shining through rain drops so small.
The rain bends the light from the sunshine,
And colors the sky for us all.

Red, orange, yellow, green,
Blue, in-di-go, violet is what we see.
Rain-bow colors,
Are made with light bending you see!

COLOUR THE RAINBOW AS INDICATED IN YOUR COLOURING BOOK. PAGE NO.- 15
