ACADEMIC SESSION 2021-2022

CLASS IV

NEWSLETTER - FEBRUARY 2022

*“The more that you read, the more things you will know, the more that you learn, the more places you’ll go.” – Dr. Seuss*

Dear Parent,

Greetings from the Summer Fields School fraternity!!

Hope you are all safe and taking good care of yourself. The times are challenging but we are sure that together we’ll sail through successfully.

Any time is just right to take a pause and reflect on our actions already done and the actions yet to be done. As we are now in the penultimate month of this academic session, it is a time to do course correction if needed.

Let us look back at the month gone by. It is a fact that Hindi language glorifies Indian culture. Hindi week was organized from 17<sup>th</sup> January 2022 to 21<sup>st</sup> January 2022 for the students of Class IV.

Activities conducted during the week were:

- **Character Talk**

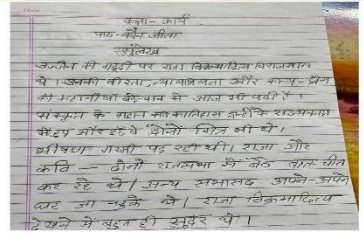

Our creative minds of class IV gave overwhelming responses.

It was a treat to see students dressed up in their favourite text book characters from the chapters they have studied, viz. teacher, shepherd, tortoise, Akbar, banyan tree, astronaut etc. Students spoke eloquently about their chosen character.

- **Handwriting**

Good handwriting always makes an impression on the reader and reflects personality traits of the writer. Handwriting is an essential skill and students were encouraged to write neatly. It also helped them develop fine motor skills and gave them confidence.

Our students enjoyed all the activities and explored a lot of new things through participation. The month of February will also be filled with more opportunities for them.

**ACADEMIC HIGHLIGHTS:**

Annual exams (SA2) will be held from 4<sup>th</sup> March 2022 to 17<sup>th</sup> March 2022.

For the upcoming Annual exams, the syllabus and date sheet will be shared in due course of time.

Looking forward to your support always.

With warm regards,

Dr Neeru Suman
