NEWSLETTER – FEBRUARY 2022

“THE BEST PREPARATION FOR TOMORROW IS DOING YOUR BEST TODAY.”

H. Jackson Jr.

Dear Parent,

Warm greetings from the Summer Fields School fraternity and prayers that we all remain safe and healthy! Keep practicing all the appropriate Covid-19 protocols.

With an aim to increase student engagement and promote active learning, the month of January was packed with a plethora of activities. The students celebrated the 73rd Republic Day with great exhilaration along with various other exciting events.

On Makar Sankranti, the Ministry of Ayush organized a large scale “Surya Namaskar Programme” as a part of “Azadi ka Amrit Mahotsav”. Our enterprising students were thrilled to perform Surya Namaskar and registered on the yoga portal on 14th January, 2022. The health benefits of Surya Namaskar were also taught during classes.

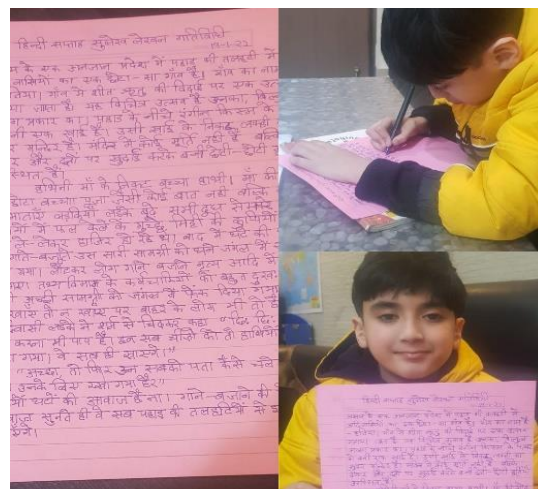

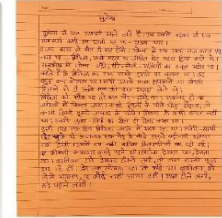

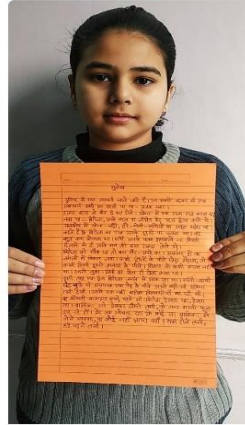

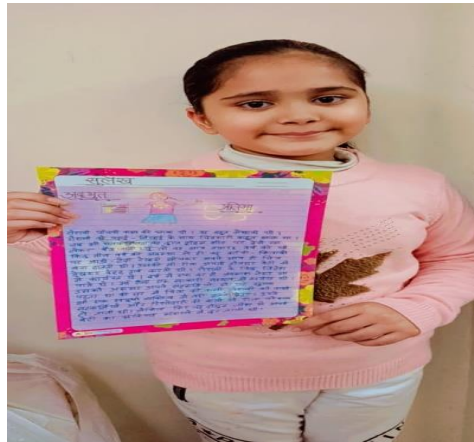

Republic Day signifies the nationalistic spirit of independent and sovereign India. The Indian Constitution came into effect on 26 January 1950, which declared India's identity as an independent republic. To keep the patriotic zeal and enthusiasm alive among students, interesting activities were organized to mark the **73rd Republic Day** of our nation. As an expression of creativity and patriotic fervor, our super talented children made drawings, paper fans and other crafts with tricolour as the theme.

Few glimpses of the activity:

Hindi Week was organized from 17th January 2022 to 21st January 2022, during which various activities were organized. These helped to sharpen the linguistic skills and promoted the understanding of the Hindi language. Our wonderfully resourceful students participated in ‘Charitra Chitran’ and ‘Sulekh Lekhan’ wholeheartedly.

The phenomenal **39th Aryabhatta Inter-School Mathematics Competition 2021-2022** was successfully conducted in online mode on 22nd January 2022. Over the time, wide participation and over whelming response by the schools, has made this competition as one of the most sought-after competition in Mathematics. Despite the prevailing situation, around 2000 students of Class V across Delhi and NCR participated enthusiastically in the competition.

ACTIVITIES FOR THE MONTH OF FEBRUARY 2022 –

ARYABHATTA FELICITATION - 12th FEBRUARY 2022

Annual Examination will be conducted from 4th March 2022 to 21st March 2022. The syllabus and the date-sheet for the same will be mailed to the students in the due course of time.

Looking forward to your support as always.

With warm regards,

Dr Neeru Suman
Principal

Mrs. Gunjan Singh
Primary Incharge
