“EDUCATION IS OUR PASSPORT TO THE FUTURE, FOR TOMORROW BELONGS TO THE PEOPLE WHO PREPARE FOR IT TODAY.”

Dear Parent,

As we bid farewell to winters and enjoy the blossoming of colourful flowers in the spring season. It is the time to face the challenges and the tasks that lie ahead of us. Despite the chill of January and February, these months were full of academic and co-curricular activities. These saw the whole hearted participation and competitive spirit of all our immensely talented youngsters.

We're excited to welcome our eager learners back to school and interact with them offline.

## **KINDLY NOTE:**

There is no formal examination for the students of Class III but the children are assessed on the basis of day-to-day observations and revision worksheets. There will be regular teaching assignments, creative activities and recapitulation of the concepts taught in the second term for the students.
