ACADEMIC SESSION 2021-2022 NEWSLETTER –MARCH 2022 CLASS KINDERGARTEN

“Education is our passport to the future, for tomorrow belongs to the people who prepare for it today.” –Malcolm X

Dear Parent,

Like a gardener who waits patiently for the flowers to bloom, we also have waited for a whole year to see our children reach one more milestone. Nature endows each child with unique capabilities; we at Summer Fields ensure that every child attains his or her own pinnacle. We are happy to share that all our children have become more confident and self aware.

Continuing with our commitment to expose our children to varied experiences, as we bid farewell to winters and enjoy the blossoming of colourful flowers in the spring season. It is the time to face the challenges and the tasks that lie ahead of us. The months of February saw a lot of action where our students displayed their fine motor skills with activities such as Egg Carton Caterpillar, Recycled CD Lady Bug, Popsicles Stick Kitty , Paper Octopus etc .

As the month of March is the last month with our tiny tots, various activities will be organised to make them happy and love their surroundings more. Our lovely cherubs will start the month with Kiddies Kitchenette chana chat activity where they will learn how to do fireless cooking. This activity will help them to inculcate healthy eating habits. On Holi the festivals of colours a craft activity will be organised in the class where they will be painting the paper cut out of their hands using painting colours. In continuation of the learning process our little angels will be making Graduation Cap.

The forthcoming activities for March are :-

- * Making of chana chat -4th March 2022
- * Making of hand prints holi card - 11th March 2022
- * Making of Graduation Cap -17th March 2022
