ACADEMIC SESSION 2021-2022

CLASS IV

NEWSLETTER - MARCH 2022

“It is never too late to be what you might have been.” — George Eliot

Dear Parent,

Like a gardener who waits patiently for the flowers to bloom, we also have waited for a whole year to see our children reach one more milestone. Nature endows each child with unique capabilities; we at Summer Fields ensure that every child attains his or her own pinnacle.

February was marked with a flurry of revision assignments, improvement tests, extra classes and distribution of Date Sheet etc., all in anticipation for the Annual Exams. The month of March is at the cusp of two academic sessions. It brings moments of apprehension and exhilaration in equal measure. The **Annual Examination** will begin from **03.03.2022 and will end on 21.03.2022**. Regular sleeping time and nourishing food will help the students to overcome any undue stress.

Kindly note the following points:

- The **Result for Class IV** will be declared on Saturday, **26th March, 2022**.
- The new **academic session** will start on **Friday, 1st April, 2022**.

List of holidays:

1st March, 2022 – Mahashivratri

18th March, 2022 – Holi

Looking forward to your continued support.

With warm regards,

Ms. Geeta Karunakaran
Principal

Mrs. Gunjan Singh
Primary In-charge
