A REPORT ON THE ORIENTATION FOR CLASS IX

Summer Fields School organized an Orientation session for Class IX on Tuesday, 29th March 2022 at 9:00 a.m. All the parents of students who have taken new admission for their wards in class IX attended the session along with their wards. The session began with a warm welcome note on behalf of Summer Fields School fraternity followed by the detailed information on the working system and the school norms through a power point presentation. The presentation included school timings, uniform, assessment pattern, CBSE registration, School facilities etc.

The queries of the parents were also clarified. The session ended with a promising future for the new comers. The parents and students were offered some refreshments as well. In all, the orientation was conducted successfully and parents and students were appreciated for being present for the orientation.

We thank our respected Principal Ms. Geeta Karunakaran Ma'am for her constant support and valuable guidance in all our endeavours.

Here are a few glimpses of the orientation.
