KAILASH COLONY, NEW DELHI-110048

ACADEMIC SESSION : 2022 - 2023

CLASS-II

ORIENTATION REPORT

Parents and teachers who work together are unstoppable!

To begin with, the parents were enlightened with all the guidelines of the school. After that, the teachers briefed about the various subjects and the activities which will take place in the very new session. The importance of co-scholastic activities were also discussed with the parents. They were informed about the various hands on activities which help in the overall development of the child. Parents were taken around to the various sections of classroom.

Parents were satisfied and were enthusiastic to send their wards in the new session.
