CLASS III ORIENTATION PROGRAMME REPORT

"With the right mindset and right teaching, Children are capable of more than we think"

An Orientation programme for the new set of parents of Class III was organized on March 29, 2022 to get them acquainted with the curriculum, rules and regulations of the school. Class-III gave a presentation to apprise the parents of the learning methodologies followed by the school.

Parents were told to spend quality time with their children and must always be supportive as learning is a continuous process. They were told to encourage their children to participate in indoor and outdoor activities and consistently teach them the value of punctuality in their daily lives.

They were given an opportunity to have their queries answered. Parents were also given a tour of the school. Various classrooms and labs .Discussions about various co-curricular activities done in the school were also explained to parents.
