**ACADEMIC SESSION: 2022– 2023**

**CLASS- NURSERY**

**ORIENTATION PROGRAMME REPORT**

An Orientation Programme for the parents of Class Nursery, Academic Session 2022 -2023, was organized on 24<sup>th</sup> March 2022, under the able guidance of our dynamic Principal, Ms. Geeta Karunakaran. The programme commenced with a warm welcome to the parents, followed by the ceremonial lighting of the lamp. The School Principal addressed the august gathering. She laid stress on making the children global citizens and to prepare them to take up the challenges of life. She emphasised that both parents must be supportive, be involved and stay clued in to their children's lives. She also advised parents to have a two-way communication with their children and respect their decisions.

Some fun activities were conducted to make the parents familiar with each other and acquaint them with Class Nursery. The parents enthusiastically participated in all the activities. The learning outcomes of these activities were discussed.

A Power Point Presentation enlightened the parents about the objectives and philosophy of the school and also gave a glimpse of the world that their little angels would explore in the school.

This was followed by an interaction session, wherein the Principal answered all the queries of the parents.

Parents were then guided to the vibrant classrooms, to meet the class teachers, where they were briefed about the curriculum, dispersal pattern and teaching methodologies.

A few snapshots of the programme are attached below.
