

WORKSHOP : ART OF COMMUNICATION
19TH OCTOBER, 2022 FOR STUDENTS OF CLASS VIII

“The real art of conversation is not only to say the right thing in the right place but to leave unsaid the wrong thing at the tempting moment” - Dorothy Nevil

This October afternoon came with shining sun gracing us to have an illuminating Workshop by a renowned personality, Ms. Jayshree Mehta, amidst the students of Class VIII.

The workshop started with a warm welcome by our Respected Principal Ms. Geeta Karunakaran Ma'am by bestowing a lovely card, a flower pot and a beautiful painting.

Our distinguished speaker spoke on the significance of communication in our life. She began her session with a story and then taught the concept of “Less is More” and how to make the communication interesting. She also emphasized on organizing and planning the content before speaking. The workshop culminated with a questionnaire session where students were attended to their queries based on the topic. The session was truly enlightening.
