

# Summer Fields School

Kailash Colony, New Delhi - 110048

ACADEMIC SESSION: 2022-2023

## REPORT - WORKSHOP ON 'NEP 2020 & AI - Evaluation & Assessment'

*“The coming era of Artificial Intelligence will not be the era of war, but be the era of deep compassion, non-violence, and love.”*

At Summer Fields School, Workshop on ‘NEP 2020 & AI - Evaluation & Assessment’ was conducted on 26<sup>th</sup> November, 2022. It is an essential part of NEP’s Continuous Professional Development. In AI –Evaluation and Assessment session, teachers from Delhi schools participated with enthusiasm and shared their experiences in various types of evaluation methods related to AI curriculum of class IX-XII. This session was conducted by Mr. Satyendra Kumar, Computer Science Teacher, Summer Fields School. Teachers benefitted a lot from this session as they got to know various new platforms and ways to assess a child’s performance in AI Practicals.

Followed by AI session, a session on NEP 2020 was also conducted by Ms. Shivani Nagrath and Ms. Aruna Thakur. It was an enlightening experience for the participants. The participants got involved in activities related to various facets of NEP such as Creative and Critical Thinking, Life Skills, Contemporary Skills etc.

The Workshop was a great success as it was an eye opener and had information which the teachers could use in their regular teaching.
