REPORT ON MARATHON CONDUCTED IN THE MONTH OF MARCH 2023

The bystanders and the residents at GK-1 witnessed a brilliant show of harmony on March 26, 2023 when around 300 participants ran gleefully in the 2.5 km Marathon organized for the first time by Summer Fields School under the leadership of our visionary Principal, Ms. Geeta Karunakaran.

The Marathon echoed the celebration of G-20. This event aimed to spread the message that a marathon is not just a great way of keeping fit, but also serves to bring people of the community together and promote a sense of unity and camaraderie.

Besides the participants from the school, Esteemed Alumni and Board members of the GK RWA joined the Marathon in order to express their solidarity. Teachers of Summer Fields International also graced the event with their presence.

The event began with a brief introduction about G20 and then with the count of ten the marathon was flagged off by our honorable Chairman, Mr. Inder Dev Gupta at 7:40 am. The runners were escorted by a furnished van with first aid kits.

Throughout the marathon, water and essential medical support were given at regular intervals.

The entire route was well managed by the incharges and the traffic control. After refreshments and a performance by our music department, the day came to a close with a message of 'Vasudhaiva Kutumbakam'.
