

REPORT ON WORKSHOP

TOPIC : TEAMS FOR ASYNCHRONOUS LEARNING

The teachers of Summer Fields School participated in an online workshop that was held on 25th March 2023 based on best strategies for hybrid remote and blended learning. The resource person for the workshop was Duhita Parmar. She is a Microsoft Global Training Partner, HP Education Ambassador, Adobe in Education partner.

Through this training, Microsoft intends to accomplish the mission of empowering students and Educators and integrate teaching and learning experiences with technology. It makes teaching and learning easier with contents, apps and tools which is designed to help teachers and students get the most out each day.
