"The highest education is that which does not merely give us information but makes our life in harmony with all existence." - Rabindranath Tagore

From the Principal's Desk

Warm Greeting!!

As we bid adieu to the year 2023, let us take a moment to cherish all the wonderful experiences and joys bestowed on us this year. The journey in 2023 may have been an amalgamation of joys, successes, challenges and hurdles, but undoubtedly they have been the stepping stones towards a new horizon of hope, inner-strength, self-confidence and growth.

As I ponder over the achievements and success stories of our school, I feel extremely elated and profoundly satisfied for having attained incredible victories in all our endeavours, and we shall continue to reach greater heights of success.

With these promising notes, let us welcome the Year 2024 with extraordinary zeal and optimism. I am sure together we can move mountains!

I wish each and everyone a Very Happy & Prosperous New Year. May the new year be filled with increased blessings!

DIWALI CELEBRATIONS

The students of Nursery and Kindergarten embraced a virtual Diwali celebration, fostering cultural spirit. The children engaged in virtual plate-rangoli making, diya decoration and Lantern making activities, complemented by a power point Presentation explaining Diwali's significance. Dressed in traditional attire, students exchanged festive greetings, capturing the essence of Diwali through an enriching online experience.

GURUPURAB CELEBRATIONS

On November 24, 2023 our tiny tots celebrated Gurbpurab with great joy. They were introduced to the teachings of Guru Nanak Dev Ji fostering the values of compassion and equality. The air resonated with spirituality as all the students participated in the enchanting recitation of the 'Ek Onkar' prayer. 'Kadha Prasad' was also distributed among the students.

KIDDIES KITCHENETTE

The little master chefs of Nursery prepared tasty Bhel Puri, Corn Salad and Vegetable Salad, while our young Kindergarten chefs showcased their skills by preparing yummy Bumpy Bear sandwiches. Beyond the deliciousness, this hands-on experience aimed to teach these young chefs about healthy eating. It truly helped in teaching them to make good food choices and enjoying the process of making mouth watering treats!

CHILDREN'S DAY CELEBRATIONS

Children's Day, also known as Bal Divas, was joyously celebrated in an online format this year. The virtual commemoration involved enlightening the children about Chacha Nehru, India's first Prime Minister, and his profound affection for youngsters. A captivating Power Point presentation on the impactful legacy of 'Pandit Jawahar Lal Nehru' was showcased. The children actively participated and engaged with the insightful content, gaining a deeper understanding of Chacha Nehru's role in shaping the nation.

SHOW AND TELL

Show and Tell activities were organised for the young learners of Nursery and Kindergarten on the topics 'My Favourite Festival', 'Traffic Rules and Me', 'What I want to be', 'My Favourite Season', 'My Favourite Animal' and 'Importance of Plants in our Life'. Children showcased vibrant props while talking about them with excitement. Beyond the visual delight, this served as a valuable chance for them to improve communication skills and grow their confidence.

CREATIVE MASTERPIECES-KINDERGARTEN

AAO KHELE SHABDO KA KHELE, FALL TREE, KING RAVANA, ALL ABOUT WINTERS, MAKING OF LANTERN LEFT AND RIGHT, LET'S LEARN, HUMARE PYARE CHACHA NEHRU, DRAW WHAT YOU READ ULTA PULTA, PECHANO TOH JANE, OUR OCEANIC WONDERS, THINGS WE GET FROM PLANTS, UP AND DOWN, GROWING PLANTS

SCIENCE EXPERIENCE

The students of Grade Nursery had fun learning through different Science Experience activities such as 'Magic of Colours', 'Life Cycle of the Butterfly' and 'Fun with Pin Wheel'. They were fascinated to observe the simple facts of Science. Science Experience - 'Differentiate between Fabrics' and 'Nurturing Plants' were organised for the children of Grade Kindergarten. These activities helped to nurture their scientific curiosity, understanding, critical thinking and problem solving skills.

Grandparents Day Celebration

Summer Fields School celebrated Grandparents Day for Grade Nursery and Kindergarten with great enthusiasm and warmth on 27th December. The event aimed to foster a strong bond between students and their grandparents, recognizing the invaluable role grandparents play in the lives of their grandchildren. The Principal graced the occasion and whole heartedly welcomed esteemed senior guests. Engaging activities were organized for grandparents. Students showcased their talents through mesmerising dance performances dedicated to their grandparents.

PARENT TEACHER MEETING

A Parent Teacher Meeting was conducted to update the parents about their child's academic progress, social interactions and emotional well-being. The teacher shared insights about child's strengths and areas that required additional attention. There was an open communication, fostering a collaborative partnership between parents and teachers to ensure the child's overall development.

PINK DAY

To introduce the enchanting world of the colour Pink to the budding minds, a vibrant Pink Day was meticulously organized for the students of Grade Nursery. The classrooms were transformed into a sea of pink, with students dressed in various shades of the colour and the classrooms were creatively decorated with pink-themed cutouts, ribbons and soft toys. These visual elements provided the little ones with a tangible and immersive experience, fostering a clear understanding of the colour's significance.

Involving Parents

Parental Interface Programmes such as Story Narration- Dussehra, What the Signal says, Our Helping Hands, Drip-Drop, Animal Adventure Story Time and Joy of Christmas did wonders for our little ones. These activities enhanced their knowledge and helped in overall development of their personality.

MAGICAL ARTISTS NURSERY

HALLOWEEN PUMPKIN, LION- THE KING OF JUNGLE, COLOURFUL OCTOPUS, TRIANGLE MAGIC TREE, RAVAN THE DEMON KING, PINK POPSICLE DELIGHT, MY BEAUTIFUL BUTTERFLY, Z is for zebra, MERRY CHRISTMAS, LET'S GO PLACES, JOLLY JOKER, PLAYING DRUM LOTS OF FUN, HAVING FUN

Christmas Celebration

Christmas time is the most magical time of the year. Children celebrated Christmas with a class party. They brought their favourite food and wore Santa caps. They danced and sang Christmas carols too. The celebration brought smiles, laughter and creativity to the classrooms. They all had a wonderful time together.

LITTLE STAR OLYMPIAD

Summer Fields School successfully conducted the Silver Zone Olympiad for the students of Nursery and Kindergarten. The objective of the Olympiad was to create a stimulating environment where our young learners could showcase their cognitive abilities, problem-solving skills and creativity.

COMPETITIONS

English Story Telling Competition and English Recitation Competition became the platform for the students of Kindergarten to expand the boundaries of their imagination. Nursery talents thrived in competitions like Fun With Numbers, Fancy Dress and English Recitation Competition which helped in enhancing their problem solving skills and promoting their creativity. Both Nursery and Kindergarten students showcased their incredible oratory skills in the English Recitation Competition.

OUTINGS

Our adorable children of Pre-Primary Wing thoroughly enjoyed their outing to Playbox, Noida. The colourful play area with child friendly and age appropriate equipment ensured a secure environment for the children to explore and express themselves freely. Playbox provided the children with activities that stimulated their cognitive, social and physical development. Children of Kindergarten were also taken to the National Science Museum on December 15, 2023. Teachers explained the exciting scientific exhibits to the little ones in a simple manner.

CLASS ASSEMBLIES

Class Assemblies were conducted by all the sections of Grade Nursery and Kindergarten. The students of Nursery-B and C conducted the Assemblies on the topic 'Transport' and 'Winter Season' respectively. Similarly Kindergarten- A, E and F conducted the Class Assemblies on the topics 'Seasons', 'Flowers' and 'National Symbols' respectively. A Hindi Assembly on the topic -'Khush Kaun' was also conducted by Kindergarten students. Children dressed up in attractive costumes and confidently spoke about their topic. Few parents were also invited for the Assembly. The efforts put in by the children were appreciated by one and all.

Class II ANNUAL DAY

RAMAYANA.....The epic of yesterday, today and tomorrow.
Amidst the and a myriad of hues, The Annual Day for Class 2 took place on 8 December 2023. The students of Class 2 presented the version of Ramayana which is truly inspiring and related in today's life. The Ramayana was brought to life on the stage through an amalgamation of expressive voices and graceful dances.

SPECIAL ASSEMBLIES

The students of class Nursery-F conducted a special assembly on Dussehra. They came dressed in ethnic attire and confidently spoke about the significance of the festival. The students of Nursery-A presented a special assembly on Gurupurab. They talked about the importance of the festival and the teachings of Guru Nanak Dev ji. Kadha Prashad was distributed and relished by all. The students of Kindergarten - G lit up the screen with joy as they celebrated Diwali in an online mode. All the children were dressed up in bright traditional attires and enthusiastically spoke about Diwali and its significance. The special Christmas assembly organized by Kindergarten-B was a joyous occasion. The students dressed in festive outfits, showcased their talents through delightful performances. Their tiny voices shared thoughts about Christmas, emphasizing the spirit of togetherness and joy, making the celebration truly heartwarming.

CLASS III ANNUAL DAY

Summer Fields School, Kailash Colony witnessed a sparkling evening on 22 December 2023, when young artists of Class III hosted the Annual Day Celebration claiming the title- The Wish.....Be as you wish to seem with grandeur and pomp. The occasion was graced by the honorable Chief Guest Mr. Sagnik Dey, Institute Chair Professor, Center of Atmospheric Sciences, IIT Delhi, Principal Ms. Shalini Agarwal welcomed the chief guest and presented the Annual Report highlighting the major accomplishments and accolades of the institution. The captivating theatrical presentation entwined with other cultural extravaganza left the spectators enthralled. The play The Wish departed the spectators to the enchanting journey with Alice in search of Santa, leaving behind a cogent message to restore our planet. Vice-principal Ms. Shweta Oberoi proposed the vote of thanks and expressed gratitude for making the event a grand success.

CLASS ASSEMBLIES

Class assemblies in school is a vibrant gathering that brings together the entire student body for various purposes. It serves as a platform for communication, information dissemination, and fostering a sense of unity among students. Students also receive updates on school events, achievements, and upcoming activities during these gatherings. Moreover, assemblies often provide a stage for students to showcase their talents, whether through performances, speeches, or presentations. These moments not only contribute to the overall development of students but also create a positive and spirited atmosphere within the school community. Overall, student assemblies play a crucial role in promoting a sense of community, discipline, and shared responsibility among the student body.

EXCURSION TO RANGMANCH FARMS

"Travel is rich with learning opportunities, and the ultimate souvenir is a broader perspective" Summer Fields School organized an educational trip to Rangmanch Farms, on 15th December 2023 for students of Classes III-V. The plethora of adventure activities included Zipline, Archery, Pistol Shooting, Darts, Badminton, Frisbee and other skill games and Rides.

LITERARY WEEK

"Literature is a comprehensive essence of the intellectual life of a nation."

Literature is a crucial part of a child's development. It allows young-learners to become good readers, teaches empathy, encourages creativity and sparks imagination. Keeping this view in mind, a Literary Week was observed from 9th October to 13th October 2023. Students of Classes I to V took part in the various activities and competitions with enthusiasm. These exposed them to the varied dimensions of the multifaceted field of literature.

IMAGINATION OASIS

Activity-based learning creates a positive classroom environment. It is built around a self-directed learning approach. It encourages the students to conduct their own experiments and learn from their mistakes. It also encourages kids to be creative in the way they express their knowledge and thinking. The activity-based learning helps the students to become independent.

ALUMNI MEET

Alumni meet was held on 1st December 2023 in Summer Fields School. It was the time for the alumni to visit their alma mater and reminisce the memories. Some alumni shared their experience of the outside world, which they faced after stepping out of the institution. It was a great show with cultural events, walk through the memory lane, games, graffiti etc.

JUNIOR LIBRARY ACTIVITY

"THE MORE THAT YOU READ, THE MORE THINGS YOU WILL KNOW. THE MORE THAT YOU LEARN, THE MORE PLACES YOU WILL GO."

The Junior Library of Summer Fields School serves as a learning space for the students and a strong foundation on reading, the Junior Library is the nerve center where reading and information skills are nurtured. Good reading habits enable them to cope with new knowledge in this changing world. Various activities are conducted where students enhanced their reading and writing skills.
