"The highest education is that which does not merely give us information but makes our life in harmony with all existence." - Rabindranath Tagore

From the Principal's Desk

Warm greetings to all!

A new horizon with greater fervour, excitement and zeal has risen with the commencement of the new academic session 2024-2025. With a promising note, Summer Fields School is all geared up to set higher benchmarks in the arena of education, with the endeavour to foster skills that will enable our students to walk through the labyrinth of life with immense confidence and determination. Skills such as critical thinking, creativity, problem solving, decision making, ability to communicate, articulate and collaborate are ingrained and nurtured in the paradigm of education. The blossoming of genius along with a sound foundation of values is what we envisage for every student. Let us together turn our dreams and aspirations into reality through hard work, sincerity, dedication, and perseverance.

FIRST DAY AT SCHOOL FOR GRADE NURSERY

The children of Summer Fields School stepped into the world of wonder as they had their first day in Nursery. The joy of the children reached new heights as they were greeted by the beloved figure of Mickey Mouse. His warm smile and a friendly wave instantly melted away their nervousness and filled the environment with joy and laughter. With Mickey's cheerful presence, the first day of school became a magical experience that set the tone for a year of adventure and learning ahead.

MAGIC SHOW

The Nursery and Kindergarten students were treated to a mesmerizing Magic Show that left them wide-eyed and brimming with excitement. Each illusion was met with gasps of amazement and giggles of delight. The magic show provided a memorable learning opportunity, igniting imaginations and inspiring creativity among the young learners.

BAISAKHI CELEBRATION

The students of Nursery and Kindergarten of Summer Fields School celebrated Baisakhi with great enthusiasm and excitement. The celebration provided cultural awareness, creativity and a sense of community. Through hands-on activities and interactive learning, the children gained valuable insights into the rich tapestry of Indian culture.

EID CELEBRATION

The vibrant spirit of Eid-ul-Fitr was joyfully celebrated at Summer Fields School for the students of Nursery and Kindergarten. Age appropriate stories about Eid, its significance and traditions were shared with the children. The children brought sweet sewain in their tiffin which not only introduced them to traditional culinary practices but also emphasized the importance of sharing and enjoying food with loved ones during Eid.

ASSEMBLIES

The students of Kindergarten at Summer Fields School conducted the Welcome Assembly, marking the commencement of the new session. Kindergarten-A conducted the assembly on Healthy and Junk food. The students actively participated in the assembly by showcasing their talents. This involvement boosted their confidence and fostered a sense of pride in their abilities.

Ace in Making..... Olympiad Medal Achievers

To evaluate conceptual learning, reasoning, problem-solving and analytical skills from an early age, our school has conducted various Olympiads covering most of the academic disciplines, such as English, Hindi, Mathematics, G.K. and Cyber. The young prodigies gave us a proud-moment by achieving Gold, Silver and Bronze medals in all the academic affairs. We extend our congratulations to our young achievers with a hope that they continue augmenting such attainments with greater zeal.

TALENT FIESTA

"Talent does you no good unless it's recognized by someone else".

A Talent Week was organized by the school for the students of Classes I to V from 22 April to 26 April 2024 to help them boost their confidence and to allow the learners to exhibit their special interest. The young learners showcased their talent in multifarious array inclusive of music, dance, poetry, storytelling, magic tricks, yoga moves etc. In addition to these, they decked up and impersonated their favourite figure. The gala event was marked with the awe-inspiring flair, enthusiasm and eagerness displayed by these budding artists. It was indeed a treat for the eyes.

Earth Day Celebration.... Sustaining Our Earth, Sustaining Our Future

Classes V A & B presented a special assembly to commemorate Earth Day- a global event dedicated to environmental protection and sustainability. The young scholars staged mesmerizing performances highlighted by speeches, tree plantation drive and cultural extravaganza entwined with a strong message and a conviction to safeguard the ecosystem and to preserve it for generations to come.

The parents including other staff members witnessed the event to celebrate the beauty of our benevolent mother earth.

'पेड़ लगाओ पृथ्वी बचाओ'

प्रत्येक वर्ष की तरह इस वर्ष भी 22 अप्रैल 2024 को पृथ्वी दिवस बड़े ही अच्छे से विद्यालय प्रांगण की प्रार्थना सभा में मनाया गया और इस गतिविधि में सक्रिय तौर पर छात्रों ने बढ़ - चढ़कर भाग लिया ।

समस्त विद्यालय के समक्ष नाटकीय मंचन द्वारा विद्यार्थियों ने यह समझाया कि हमें किस प्रकार से अपनी पृथ्वी को सुरक्षित रखना है, पृथ्वी के लिए क्या हानिकारक है और क्या उसके भविष्य को सुधारने के लिए श्रेष्ठ उपाय ।

गतिविधि का उद्देश्य किताबी ज्ञान के साथ-साथ व्यावहारिक जीवन से संबंधित विषयों के प्रति छात्रों को सजग बनाना उनको इसका माध्यम बनाकर उनके अंदर अपने समाज की स्वच्छता के प्रति और अपने राष्ट्र के प्रति समर्पण का भाव जागृत करना है ।

गतिविधि द्वारा उनके विचार कौशल में निखार लाना भी इसका उद्देश्य है ।

Awareness on Environmental Pollution

"Plant a tree, so that the next generation can get air for free."

With environmental challenges popping up faster than expected, schools are one of the best places for cultivating environmental awareness early on. The earlier students learn about the environment, the sooner they will be able to contribute to safeguard it.

As a part of the initiative taken up by Directorate of Education regarding Awareness on Environmental Pollution, Summer Fields School, Kailash Colony conducted various awareness activities on different thematic areas of environment to generate awareness among the students in the school. The activities included 'lecture' on environmental issues like depletion of ozone layer which affects our climate delivered to the students by our Principal, Ms. Shalini Agarwal. Apart from that, other activities like 'Poster Competition' and 'Essay Writing' on the topic 'Tree plantation were also conducted for the students of classes VI- XII.

Such activities aimed at making students contribute towards sustainable development and making a positive change in the world.

The success of the smooth conduction of the activities can only be accredited to our revered Principal and Vice Principal, whose unflinching support and guidance has always helped us to excel in all our endeavors.

RAM NAVMI CELEBRATION

A Class Assembly was conducted by the students of class VIII-B of Summer Fields School, Kailash Colony on the occasion of "Ram Navmi" on 16th April, 2024 in the school premises. The assembly commenced with the Ram Stuti, followed by an insightful thought and latest news.

This was followed by a cultural extravaganza in the form of a skit "Birth of Lord Ram". Later, the students of VIII-B showcased their dancing skills. The assembly ended with an inspiring speech by our respected Principal Ma'am followed by felicitation of students with certificates and medals for securing position in National Science Olympiad.

The assembly was concluded with the National Anthem which the students sang with pride and fervor.

Overall, the auspicious aura was felt throughout the assembly and the students were highly appreciated.

CELEBRATING "EID-UL-FITAR"

The students of class X-A conducted an informative and mesmerizing morning assembly on the theme 'EID-UL-FITAR'. The assembly began with the morning prayer and the students commenced the assembly with updating us with the news. With an insightful thought "Eid is a time of joy, a time of togetherness, and a time of gratitude". A small group of students came and provided us with some information about Eid-ul-fitar. To make the assembly more engaging, two students presented a poem which emphasized on the importance of Eid-ul-fitar. In the end, our respected Vice Principal Ms Shewta Oberoi enlightened us with some captivating facts about importance of self-discipline in our day-to-day life. The charm of the celebration was felt in the air. The assembly ended with a salute to the nation with the singing the national anthem.

Later, the students of class X B showcased their dramatic skills by delineating a short skit on the above-mentioned topic, wherein they tried their best to convey the importance of the people helping out in our society to their peers.

Our Principal, Ms. Shalini Agarwal in her motivational speech encouraged students to respect all those who contribute to the well-being of the society and respect the dignity of labour.

A step towards healthy living.....

SAY NO TO TOBACCO

World 'No Tobacco Day' is observed annually on May 31 stand to sensitize the students about the harmful effects of tobacco, Summer Fields School, Kailash Colony, New Delhi, organised a programme to celebrate the Anti-Tobacco Day. The students enlightened their peers about the hazards of consuming tobacco and encouraged them to abstain from consuming it.

The students highlighted the fact that Smoking not only puts the active smoker in the danger zone of diseases but also envelopes the innocent passive smokers into its fold. They expressed their ideas through placards, posters, bookmarks, performing skits and writing poetry. They advised the people to shun cigarette, bidi, pan masala, gutka, etc, that shortens their lives and kills them. The glorious event creatively presented by the students was a great success in delivering the message to refrain from consuming tobacco products.

With great dedication and diligence, Principal Ms. Shalini Agarwal made every effort to ardently contribute for the good cause of spreading awareness against consumption of tobacco and inspire the students to participate wholeheartedly

WORKSHOP ON 'SAFE AND UNSAFE TOUCH'

“Wisdom is giving the children their wings, along with the rudder of awareness to keep them safe from prying hands”
- Yamini Vijendran

Summer Fields School, Kailash Colony organised a workshop on 'Safe and Unsafe Touch' on 19th April, 2024 from 9:30 a.m. to 10:30 am. The workshop was conducted by Ms. Shammi Proothi, Vice President at ANON Global Foundation. After nearly two decades of being an educator, she decided she would rather help people be empowered, enhance their self-awareness and well-being.

The workshop focused on teaching students the difference between Safe and Unsafe Touch. Students were taught various safety, Child Helpline number that is 1098 was also told to the students. The speaker emphasized on the phrase, “This is my body and it belongs to me” and students were instructed to say NO or to scream for help if someone makes them feel uncomfortable.

We are thankful to our esteemed Principal, Ms Shalini Agarwal and the Management for being the driving force behind all our endeavours and for motivating us to attend such educational sessions.

COMPETITION

The Fancy Dress Competition for the Kindergarteners was a heartwarming display of innocence and creativity. The little ones dressed as their favourite cartoon characters, brought the stage to life with their adorable performances.

The event not only provided a platform for self-expression but also fostered a sense of camaraderie and joy amongst the students.

EARTH DAY CELEBRATION

On the occasion of Earth Day, our students gained valuable insights into the significance of conserving our natural resources and pledged to use water, trees and energy wisely. They joyfully tore and pasted colourful paper to create beautiful artwork. Through these activities, they learnt about the importance of caring for our planet and also learnt that even the little hands can make a big difference.

RED DAY CELEBRATION

To introduce the captivating colour red to the young minds, Red Day was celebrated for the students Nursery. All the children came dressed in red attires. They proudly displayed Red objects brought from home and confidently spoke about them. The classrooms were creatively decorated with red-themed cutouts and soft toys providing a vivid and engaging environment. It was a great opportunity for the children to socialize with their peers.

KIDDIES KITCHENETTE - PARENTAL INTERFACE - LEMONADE PARTY

To find relief from the heat, a Lemonade Party was organised for the tiny tots. The parents prepared cool lemonade for the children. All the children thoroughly enjoyed a glass of refreshing Lemonade. This activity helped to encourage healthy eating habits in the children and also fostered parental engagement within the Nursery environment.

SCIENCE EXPERIENCE

The Science Experience- 'Volcano Eruption' was organised to introduce young children to basic scientific concepts in a fun and interactive way. Through this activity, our budding scientists had the opportunity to learn about the natural phenomenon in an age-appropriate manner.

ACTIVITY GALORE

Activities in the classroom not only spur creativity, but they also inspire learning. These 3H principles provide a rich and varied experience to the young scholars thereby build their knowledge, boost their cognitive skills and enhance their cross-cultural understanding. Nonetheless, augment their confidence manifolds.

Bearing this in mind, the learners of Classes I to V were enthusiastically engaged into multitudinous class activities for better understanding the subject matter and connecting them to the real life situations.

ACTIVITY CLUBS

"Talent win games, but teamwork and intelligence win championship."

— Micheal Jordan

Activity clubs provide students with opportunities to engage in extracurricular activities beyond the classroom. These clubs often cater to a wide range of interests, counting sports, arts, academic pursuits, and hobbies. Moreover, they enhance social skills, foster leadership skills, teamwork and collaboration including their personal growth and well-being. Keeping these view in mind, the school has started Activity Clubs for Classes II and V. Chess, Lawn Tennis, Basketball, English Debate Club, Aryabhata Club, Hindi Club are few amongst those.

CREATIVE CORNER

Divine Hues

Beneath the moon's soft-glowing bane,
The pyre of Holika whispers tales arcane.
Flames waltz to the rhythm of the past,
As memories in embered hues are cast.

O Holika, mother of renewal's breath,
We pray to thee in life and death.
Your fire purges shadows of despair,
And in its warmth, we find solace rare.

Then dawns the day, a vibrant, joyous sprawl,
Holi's riot, where colours freely fall.
In the blink of an eye,
Hues of joy bleed into the sky.

Crimson gulal, a gentle touch,
Emerald green, a bond we hold so much.
Pink powder paints laughter in our eyes,
Sapphire hues reflect the boundless skies.

Strangers become friends, drenched in coloured rain,
Forgetting past hurts, cleansing every stain.
A symphony of song, a joyous, rhythmic beat,
Drums and dhol echo down every bustling street.

With every smear, a bond is born,
With every splash, the heart is sworn.
To celebrate the spectrum of our days,
In the vibrant mirth of Holi's ways.

So let us sing, let us dance,
In the chromatic trance.
For in this festival of playful fight,
We find our spirits taking flight.

Friends

In school life,
to capture the perfect vibe,
we need to find friends,
True friends.

Friends are everywhere,
Whether perfect or just fair.
Maybe they'll leave you,
Feeling deserted or sad.

In some cases, they can be bad,
But one day, in slow motion,

You will discover who a true friend is,
Who will stand by your side,
Rest assured, it's a perfect vibe,
In school life.

POEM ON NATURE

*The setting sun is a fascinating sight,
It gives me such joy and delight!
The sun keeps us warm,
It is a part of nature, bright and big.
It gives us light with might.*

*Nature has peace,
It looks like it has a number of things,
Mountains, rivers, oceans, plants,
What else does it need!
Nature is beautiful and what it might need,
It has everything,
I like it as the way it is,
Green and beautiful.*

*I mostly find calmness in it,
Fresh air, it still keeps going.
Large and small rocks are in it.
Nature is beautiful and nature is peaceful.*

बुरे खाने का बुरा नतीजा

एक दिन की बात है एक बच्चा था जिसका नाम रोहित था वह बहुत मीठा खाता था उसकी माँ उससे कहा करती थी कि रोहित मीठा खाना मत खा वरना तेरे दाँत खराब हो जायेंगे फिर एक दिन रोहित मीठा खा रहा था खाते-खाते उसके दाँत में कीड़े लग गए फिर रोहित के पापा रोहित को डॉक्टर के पास ले गए डॉक्टर ने पहले उसके दाँत में फिलिंग भर दी फिर ऐसे बहुत बार हुआ उसके बाद रोहित के दाँत फिर खराब हो गए और डॉक्टर ने उसके दाँत निकाल कर उसे एक डेंचर दिया और बोला कि रोहित तुम मीठा मत खाना उसके बाद भी रोहित नहीं सुधरा और वह मीठा खाता गया और एक दिन एक चोर ने देखा कि रोहित मीठे का बड़ा शौकीन है तो उस चोर ने रोहित को चॉकलेट का लालच देकर पकड़ लिया फिर उस चोर ने रोहित के पापा को कॉल करके बोला कि मैंने तुम्हारे बेटे को किडनैप कर लिया है अगर तुमने मुझे 2,50,000 नहीं दिए तो मैं तुम्हारे बेटे को मार दूंगा। फिर रोहित के पापा ने बड़ा सोच कर चोर को पैसे दिए और रोहित को ले गए। इस कहानी से हमें यह शिक्षा मिलती है कि गलत खान पान से स्वास्थ्य भी बिगड़ता है और वह हमारी कमजोरी भी बन जाती है।

"मुहावरों की कहानी"

आओ बच्चों तुम्हें सुनाएँ –
मुहावरों की कहानी ।
सुनते थे हम बचपन में,
सुनाती थी हमें नानी ।
कभी 'हिम्मत न हारना' बच्चों ।
मुश्किल कितनी भी आए ।
देख हाँसला बुलंद तुम्हारा,
मुसीबत, 'नौ दो ग्यारह' हो जाए ।
तुम देश के वीर सिपाही,
तुम्हें दुश्मन को है 'धूल चटाना' ।
माँ की 'आँखों के तारे' तुम,
मातृभूमि का कर्ज चुकाना ।
सीख बड़ों की 'गाँठ बाँधना',
सदकर्मों से आगे बढ़कर,
जी जान से कर्तव्य निभाना ।
जो सिखोगे 'टर-टर करना',
'चूना लगाना', 'जाल फेंकना',
प्रभु देंगे फिर दंड देखना ।
दो टूक बोली में सार,
नानी कहती सच्ची बात ।
