From the Principal's Desk

Summer Fields School ponders and cherishes the great and glorious victory attained in the CBSE Board Examination 2023-2024. The ceaseless efforts on the part of the school to facilitate the students with various platforms to grow and excel and the attempt to instil in them the true spirit of competitiveness has resulted in a successful outcome of excellent results of classes X and XII in CBSE Board Examinations.

It has always been a proud moment for Summer Fields School to witness our school impart the value of meaningful education and spur in the students the true meaning of life and the desire to excel.

With all this success, my heartfelt thanks go to the respected Chairman Mr. Inder Dev Gupta for his rock-solid support in all our endeavours.

It has truly been a marvellous journey towards academic achievements and on behalf of Summer Fields School fraternity, I thank and appreciation the parents and our well-wishers for their encouragement and support.

We shall continue to soar higher!

Proud Moment....

An interview with the Principal, Ms Shalini Agarwal, Summer Fields School, Kailash Colony was conducted by NIE, Times of India and was published on 9 May 2024. Great words of wisdom and valuable insights were shared by our respected Principal.

Parent Teacher Meeting

A Parent –Teacher Meeting was organised on May 11, 2024. It helped to keep the channels of communication open with the parents of Nursery and Kindergarten students. It provided an opportunity for the parents to be apprised of their child's progress and develop a collaborative relationship with the teachers.

Competition - Clay Modelling

Our budding artists, armed with colourful clay, impressed everyone with their creations ranging from animals to different shapes. With focused concentration and boundless creativity, each child crafted their masterpiece. The event not only fostered artistic expression but also honed their fine motor skills and sparked joy and pride in the hearts of participants.

Parental Interface

A Parental Interface Activity - 'My Sweet Family' was organised for our little ones of Grade Nursery. This activity helped the children to understand and appreciate the relationships within their own family.

A Lemonade Party was organised for students of Grade Kindergarten. The parents enthusiastically participated in preparing delicious lemonade for the children. The children happily watched their parents squeeze lemons, add sugar and mix the ingredients to create the refreshing drink.

Assembly

A Class Assembly was conducted by the students of Kindergarten B on 'Animal Kingdom'. It helped them to gain a deeper appreciation for the diversity of animal kingdom and the significance of protecting animals and their environment for the well being of our planet. A Special Assembly was conducted by Kindergarten C and D on 'Mother's Day'. This event fostered a sense of appreciation for mothers highlighting their unconditional love and sacrifice.

Ice Cream Party

An Ice Cream Party was organised for the students of Grade Nursery. It provided a refreshing respite from the heat and created lasting memories for the little ones. The tiny tots indulged in the creamy goodness of the frozen delight and enjoyed every spoon of it.

Science Experience

The students of Grades Nursery and Kindergarten were exposed to the wonders of Science through Science Experience activities-'Fun with Air' and 'Magnet Attracts Iron'. These activities not only provided a hands-on learning experience but also sparked curiosity and excitement among the students.

Yellow Day Celebration

The students of Nursery dressed in yellow attires, showcasing their creativity and enthusiasm for the colour theme. They brought yellow objects from home and spoke about them which helped to build their confidence and vocabulary.

Mother's Day Celebration

To express their love and appreciation for their mothers, the students of Grade Nursery and Kindergarten were engaged in a heartwarming Mother's Day Card making activity. This activity helped to foster creativity and also served as a meaningful way to honour their mothers.

Show & Tell

A Show & Tell activity was conducted on the topic 'My Self' to foster public speaking competency of the young minds. Each child took centre stage and displayed beautiful and colourful props while talking about themselves. It was a golden opportunity for them to improve their communication skills and gain confidence.

"Our achievements keep soaring!"

Our proud winners in Aprajita Nari - Women Yogasana Championship 2024-25

**NATIONAL MASS DE-WORMING CAMPAIGN
23 APRIL 2024 - 30 APRIL 2024**

*"Healthy citizens are the greatest asset any country can have."
-Winston Churchill*

This year the De-Worming Campaign in Summer Fields School was held from 23 Apr 2024 – 30 Apr 2024. The campaign aims at eradicating intestinal worms also known as Soil-Transmitted Helminths (STH), among children in the age group of 1-19 years.

Keeping in line with the initiative taken by the Government, Summer Fields School in co-ordination, encouraged all the parents to give their consent for providing the single dose of 'Albendazole' (Medicine for deworming) from Nursery to Class XII for the better and healthy growth of our future generation. Circular was sent to parents and the consent on dosage of de-worming was collected from all the students wherein a total of 1122 consent forms were received from the parents. Students were administered with the dosage in our School Clinic successfully. In the process of De-worming campaign, the staff members of the school had also actively participated by setting an example.

The Principal Shalini Agarwal appreciated the efforts of the government and was in the fore-front for the successful completion of the campaign.

SAY NO TO TOBACCO – DRIVE TO SPREAD AWARENESS

To inculcate awareness about the harmful effects of tobacco, Summer Fields School, Kailash Colony, New Delhi, organised a programme to celebrate the Anti-Tobacco Day. The students enlightened their peers about the hazards of consuming tobacco and encouraged them to abstain from consuming it.

The students highlighted the fact that Smoking not only puts the active smoker in the danger zone of diseases but also envelopes the innocent passive smokers into its fold. They expressed their ideas through placards, posters, book marks, performing skits and writing poetry. The event creatively presented by the students was a great success in delivering the message to refrain from consuming tobacco products.

PROMOTING AWARENESS ON VOTING RIGHTS

"SANKALP PATRA"

"Voting is not just a right, it's a responsibility; it's the voice of the people shaping the future of their nation."

Keeping in mind the importance of making students aware of their rights, our school has organized Intra-school activities for students from class VI to VIII and also taken the signatures of the parents on 'Sankalp Patra' as instructed by DOE to make them aware on the topic "Importance of casting votes".

The activities conducted in school includes poster making, slogan writing, and a quiz which aim to raise awareness and foster a sense of vigilance and respect for our country among the students.

The students participated actively and also shared their views with their teachers and friends. These activities have helped us in providing an enriching learning environment for our students in an enjoyable and expressive manner.

SCHOOL TRIP

NEHRU PARK & ETERNAL GANDHI MUSEUM

Class IX and X students were taken on an educative and insightful trip to Nehru Park and Gandhi Museum organised by NIE, The Times of India. The trip for class IX was schedule on 30 April 2024 and for class X it was on 08 May 2024 respectively. The students of XII visited the museum on 9 May 2024, followed by Class XI on 10 May 2024. The trip to the museum was a blend of recreation and infotainment for the students. The museum boasted a plethora of original relics, books, journals and documents, photographs, audio-, visual material exhibitions, art and craft. The journey of Gandhi Ji's life was depicted using pictures. The students were imparted teachings of unity, non-violence and truthfulness which were the key principles of Gandhiji's life.

The students were fascinated by the valuable relics kept in the museum. They were all amazed by the phenomenal technology used for the upliftment of the museum.

The Students of classes IX and X were also taken to Nehru Park for a short span recreation. The students were overjoyed to be in the midst of nature. They played for a while and had some snacks with their pals.

The trips for classes IX to XII were undoubtedly refreshing for the students and a wonderful break from the routine schedule.

Educational Trip to Jim Corbett & Nainital

Grades VI- VIII (27th May 2024 – 29th May 2024)

A 2night/3day long school trip to Corbett and Nainital was organised for the classes VI- VIII by Summer Fields School, Kailash Colony from May 27th to 29th, 2024. It was a delightful

experience for everyone involved. A group of 91 students from classes VI-VIII accompanied by 9 teachers stayed at the Green Retreat Resort, surrounded by loaded Litchi orchards on one side and mango on the other, in Ramnagar.

The trip commenced with a visit to Corbett Museum, followed by a trek to the pristine Kosi River. At night, DJ night was organised for the students and they enjoyed dancing on their favourite songs.

On the second day of the trip, the students visited the serene Naina Devi Temple in Nainital followed by some amazing shopping at the vibrant Mall Road.

On the last day, the students embarked on a Jeep Safari to Jim Corbett National Park which was an adventurous experience of driving through the wilderness of the India's oldest tiger reserve as they sighted different species of animals and explored the various trails of the park. It's fantastic to hear that both students and parents were happy with the trip.

EDUCATIONAL CUM ADVENTUROUS TRIP

Grades IX- X (30th May 2024 – 01st June 2024)

“Travel opens your heart, broadens your mind, and fills your life with stories to tell.”

Apt to the above words, there is no doubt that adventures are the best way to explore and learn. With the desire to spur the spirit of experiential learning through exploring the world around, Summer Fields School, Kailash Colony organized a three-day trip for the students of Classes IX and X commencing from 30 May 2024 to 1 June 2024. 156 students along with 15 teachers embarked on an adventurous cum educational journey to the famous Jim Corbett National Park in Uttarakhand and to Nainital to experience a perfect amalgamation of nature and wildlife.

Day 1: Thursday, 30 May 2024

The wheels of the buses went rolling sharp at 5:45 a.m. buzzing with excitement of students and teachers. The buses halted at Gajraula where they filled their stomach with delectable breakfast. The journey continued with energetic vibes of refreshing and upbeat music that were played in the buses.

Undoubtedly this trip gave the students a golden opportunity to go on a retreat, far from the madding crowd and pollution. After checking into ‘The Corbett Manral Resort’, everyone relished a sumptuous lunch with a grand spread. After lunch, students visited the Jim Corbett Museum and the Hanuman Temple. It was overwhelming to see our young generation entering the temple with reverence to the Almighty.

Back in the hotel all were served tea and fritters. Later in the evening, the students were all geared up to move with the rhythm on the dancing beats which was surely an icing on the cake. The first day of the trip ended with a wonderful dinner and lots and lots of happy memories.

Day 2: Friday, 31 May 2024

The next day the students set their journey to Nainital, one of the most beautiful hill stations in India. The scenic landscapes dotted with emerald-green lakes surrounded by mountains and pleasant weather made the trip a memorable one. A walk down the Mall Road added to the excitement of students. They bought souvenirs and gifts for their parents and their siblings. They also visited the Naina Temple. Lunch was provided at one of the best restaurants of Mall Road and by evening they lodged at the 'Wild Crest Resort'. That was not in end, the evening was made colourful and vibrant with the DJ and once again students came dressed up to rock the floor. It was truly a sight to see our dynamic and talented students dance on every beat with full energy and enthusiasm. Finally dinner for served to replenish the spirit.

Day 3: Saturday, 01 June 2024

The third day began at 5:30 a.m. The open roof gypsies at Corbett were filled with laughter and giggles of students as they set out for the jungle safari. As the jeeps delved deeper into the woods, there was pin drop silence as everyone concentrated in spotting the denizens of Corbett. Everyone experienced the ultimate solace with wildlife. Varied birds, snakes, tiger, deer and jackals were spotted by the young explorers. After a short refreshment, the students walked down to the Kosi River, where they enjoyed splashing the fresh water. After lunch students boarded the buses to return back home. Whether it's the company of friends or watching the wildlife closer than ever seen, to dance with full passion on musical beats or to enjoy staying with friends, the trip was thoroughly enjoyable and exhilarating with the support of the teachers as the motive of learning through enjoyment was accomplished.

Trip to Jim Corbett National Park & NAINITAL

Grades XI- XII (30th May 2024 – 01st June 2024)

The trip was a plethora of fun, interesting and educational activities for students to strike a perfect balance between fun, learning and exploration.

The students left the portals of the school on 30 th May 2024 at 5:00 am on a hot and sunny morning with friends, bags full of savouries , energy and excitement. Students filled their stomach with delectable breakfast at 'Gajraula' and danced in the bus along with music on the

way. Students got a golden opportunity to go on a retreat, far from the madding crowd and pollution.

After checking into the resorts , everyone relished a sumptuous lunch with a grand spread. After lunch, students went for jungle safaris The open roof gypsies at Corbett were filled with laughter and giggles of students as they set out for the jungle safari . As the jeeps delved deeper into the woods ,there was pin drop silence as everyone concentrated in spotting the denizens of Corbett . Everyone experienced the ultimate solace with wildlife. Varied birds, snakes, elephants, Deer and jackals. The sighting of the royal, majestic tiger was the perfect treat to the eyes.

Back in the hotel students were served tea, cookies and fritters . The DJ with music was surely a cherry on the cake for all students.

The next day began at 8:30 am with a day trip to the enchanting Nainital. Students enjoyed amongst the serene bounty of the hills with a captivating view of the hills. They explored the famous Mall road and shopped to their heart's content. Back in the hotel they were welcomed back with tea, soft drinks and fritters. The rest of the evening was spent in dancing to the beats of the DJ. After dinner the students retired to their respective rooms.

Day 3 i.e 1st June began with a delectable breakfast followed by a trip to Jim Corbett museum and Kosi river. After lunch students boarded the buses to return back home.

Whether it's the company of friends or watching the wildlife closer than ever seen, to dance with full passion on musical beats or to enjoy staying with friends, the trip was thoroughly enjoyable and exhilarating with the support of the teachers as the motive of Learning through enjoyment was accomplished .

Students and teachers expressed their heartfelt gratitude to the Principal, Ms. Shalini Aggarwal and Vice Principal Ms Shweta Oberoi for giving this wonderful opportunity for the much awaited outstation trip which was surely a breather for all from the mundane lives.

CREATIVE CORNER

WISE LADY HAS GONE TOO FAR NOW

Sometimes when the Sun rises with a little less life,
When the empty sofa looks at me with a painful smile,
My ears waiting for her one question or may be another advice,
My heart replies with a plight-
The wise lady has gone too far now.

Leaving everything tense and like a surprise,
A quite house and lonely nights,
I wish, I could go back in time,
Eating from her hands and being scolded sometimes,
But that warmth has gone too far now.

I wish we could have a better goodbye,
My heart cries, remembering those flashes and lullabies,
I wish that day I could meet her twice,
But everything went in vain, we all are in pain,
As the wise lady has gone too far now.

I wish I could ask for her apology for all the lies,
I will always find her in the skies,
But that is the ending truth,
One day we all will leave this paradise.
The wise lady has gone.
But for me she is always alive.

माँ

माँ मेरी सबसे प्यारी,
लाखों में है वो तो न्यारी
एक पल में नींद आ जाती,
माँ जब मीठी लोरी सुनाती।
माँ की बाँहों के आराम की बराबरी
स्वर्ग भी नहीं कर सकता,
शायद है तू अंतर्यामी मुझे तो यही है लगता।
माँ तुम हो सबसे महान,
सब माने तुझे पृथ्वी का भगवान।
मेरे पैरों के काटे बिना सोचे हटाती,
आज भी हर रात लोरी गाकर मुझे है सुलाती,
सही और गलत में अंतर है समझाती,
मीठी – मीठी बातें कर मुझे है हँसाती।
भगवान को तेरे लिए कभी न दे सकूँगी धन्यवाद,
माँ के आशीष से ही बच्चे रहते हैं आबाद।

जल का संरक्षण करें, संकट वह बलवान।।
बारिश हो पूरी यहाँ, पेड़ लगा इंसान।।
जल कुदरत की देन हैं, कर इसका सम्मान।।
दूषित इसे नहीं करें, यह होगा अपमान।।
आओ मिल कर हम सभी, छोड़े यह अभियान।।
जल का भंडारण करना, होगा तभी विहान।।
यह विकट संदेश हमें, बता रहा विज्ञान।।
जल का स्तर अब गिर रहा, नहीं बचेंगी जान।।

Summer Fields culminates year with a gala event

The tiny tots of class nursery of Summer Fields School, Kailash Colony celebrated a gala evening, marking the culmination of a successful year of learning and growth for the children. The programme was graced by school principal Shalini Aggarwal, academic auditor V K Sharma and vice principal Shweta Oberoi. The event kicked off with the lighting of the lamp. The principal emphasised that success is not only about academic achievement but also about nurturing kindness and compassion in children. She highlighted the importance of inculcating the habit of reading books and creating memories with the children. She acknowledged the efforts of the nursery students, teachers, and parents who contributed to the successful academic year filled with growth and learning. The event aimed to recognise the achievements of the children, showcase their talent, and create lasting memories for both children and their families.

Free Time- Me Time

In this realm of free time, I find my peace
Where 'me time' unfolds and I've got a lot to seize
No obligations or worries to bind me tight
Just me time that brings me delight

hollow
Towards my hobbies, which never end
I lose myself in books, their deeds I borrow
A peaceful sanctuary where my heart blends

A Canvas of freedom where I can be creative
To things which I may or may not be naive
To indulge in my passions to give my ideas light
Unfolding my creativity, shining super bright

So, let free time be cherished, a whole new moment to unfold
A precious gift to oneself which relaxes our mind
Nurturing my spirit, finding comfort and grace
Sometimes it's good to keep first Me, myself and I

Friendship

Friendship, a bond so strong and true,
A connection that forever shines through.
A shoulder to lean on, a hand to hold,
Of trust and love that will never grow old.

In their eyes, we find the strength to control,
Friendship is like a flower,
That blooms in the sun and showers.

It starts with a smile, a simple hello,
And before we know it, it begins to grow.
From strangers to friends, in the blink of

an eye,
Sharing laughter and tears, without ever a lie.

Through trials and achievements, they stand by our side,
With them, life's journey becomes a joyful ride.
Friends are the stars that light our darkest nights,
Guiding us through the difficult paths of life.
A friend, a mirror to our soul.

Summer Fields, Kailash Colony, organises trip to National Science Centre for Class 5 students

Summer Fields School, Kailash Colony, organised a trip to the National Science Centre for its Class 5 students in collaboration with NTPC.

The trip was organised with an aim to encourage and inculcate the habit of learning among students through reading and exploring.

Students were shown the evolution of science from ancient to modern times. The interactive exhibits explained complex scientific concepts in a simple & engaging manner. From the displays on space exploration to the interactive sections, there was something for all. The museum explained the wonders of science & technology, sparking curiosity and inspiring visitors to explore the world around them. It was an enriching and educational experience that left a lasting impression on everyone.

The trip was an enriching experience for all the visitors as it left a lasting impression on them.

My MOM

An epitome of beauty, generosity and calm,
Mom you had a majestic charm,
still holding on to your arm,
feeling the grip of your palm.

But you make things possible at every step along the way,
That's why I truly believe in miracles today.

When I am amidst the turbulent tide,
I always find you by my side,
You echo "All is well" as my guide,
and instantly tackle my topsy-turvy ride.

On a lighter note,
I used to always blame you for my exceeding weight,
I thought you fed me (yummy food) and I overate,
But now I appreciate the privilege when it's too late,
as the kilograms are soaring to date.

I feel you are much safer now, beyond the earthly years,
which makes me strong and hold my tears,
You are my strength and favourite star,
and I never feel that you are too far.

Love you Mom!!!
(It was Mother's Day when we enjoyed the last happy outing with you... never thought that it would be the last one to celebrate.)

Sometimes it becomes kinda hard,
to move on or even step a yard,
