ACADEMIC SESSION (2025-2026)

WORKSHOP REPORT ON NCF FOUNDATIONAL STAGE

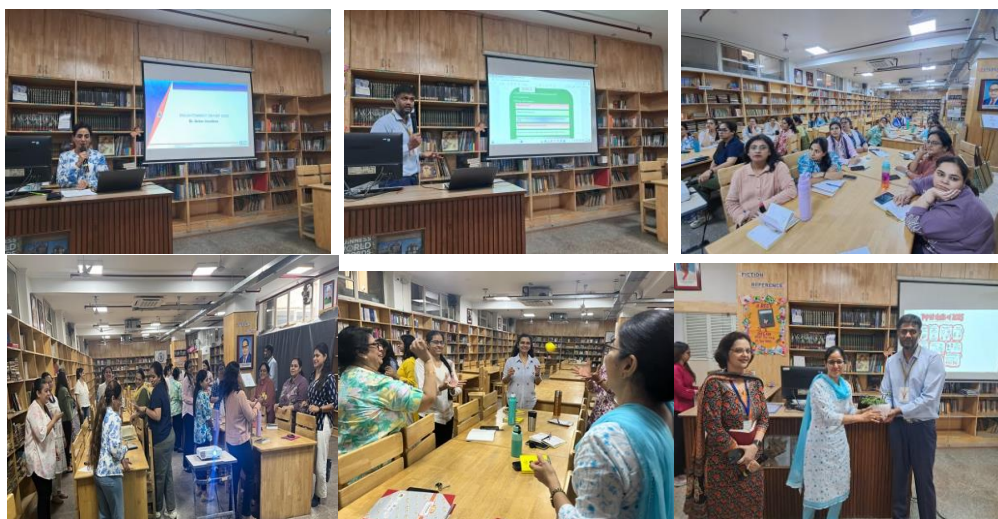

Teachers of Summer Fields School attended a workshop on June 28th, 2025 based on NEP, NCF and Foundational Stage Curriculum.

The resource person Dr. Asher Jesudoss, experienced in mentoring teachers, familiarized teachers with different approaches by NEP 2020, focusing on the multidisciplinary approach, language education and holistic development of a child. He also emphasized on skill based assessment and technology integration.

The workshop emphasized competency-based education, flexibility in the curriculum, and ways to foster creativity and critical thinking among students. Teachers explored various subject-specific approaches to make learning more experiential. Teachers also participated in a thoughtfully designed and skill enhancing activity during the workshop.

The teachers learned about the key features and implementation strategies of NCF, emphasizing competency based learning, multilingualism, flexibility in subject selection and assessment.

Through hands-on activities and interactive sessions, teachers gained a deeper understanding of NCF 2020 framework.
