*"The highest education is that which does not merely give us information but makes our life in harmony with all existence." - Rabindranath Tagore*

## From the Principal's Desk

Greetings, it fills me with profound satisfaction to observe our collective advancement as an institution. At Summer Fields School, we are dedicated to fostering well-rounded individuals with strong ethical values and the ability to think critically. This past month was a testament to this mission, marked by special events along with curricular and co-curricular activities. Our commitment to excellence extends beyond our school gates. I am thrilled to share that our students have brought home several laurels from various inter-school and zonal competitions this month. You will find a gist of these highlights as you read through our e-newsletter for July 2025:

These accolades are a direct reflection of our students' perseverance and the tireless guidance of our dedicated faculty. They are not just victories, but milestones on our path to nurturing the conscientious leaders of tomorrow.

As we look ahead, we promise to continue this momentum, creating even more opportunities for our students to learn, grow, and achieve. The benchmark has been set high, and I am confident that with our shared determination, we will reach even greater heights together.

Shalini Agarwal  
Principal

## Reflections on Our International Trip To Europe

School international trips offer students a new educational experience beyond their familiar environment. These trips can be transformative, fostering personal growth and bringing global awareness.

In line with this, Summer Fields School organised an international trip to Europe, which was undoubtedly one of the highlights of our academic year. It was an unforgettable experience that provided us with a unique opportunity to explore new cultures, learn beyond the classroom, and bond as a group. From June 7th to June 15th 2025, we embarked on an exciting journey

that took us to Switzerland, France, Belgium and the Netherlands.

It was a tour of 9 days and 8 nights covering four major countries of Europe.

Our group was of two teachers and eight students from classes VII to XII.

As we stepped off the plane in Zurich, we were greeted by the pleasant drizzling and the promise of new adventures. Over the next nine days, we immersed ourselves in the scenic beauty of Europe including the visit to iconic landmarks and participating in enriching activities that broadened our perspective and understanding of the world.

Our adventures began in Switzerland, where the thundering Rhine Falls served as our introduction to a land of breath-taking natural beauty. We ascended the majestic Jungfrauoch and Mount Titlis, soaring over snow-capped peaks in a rotating cable car and exploring tranquil villages like Interlaken and Lucerne, soaking in the serene alpine landscapes that filled our hearts with peace.

We continued our journey onward to the City of Light. Paris unfurled before us from the Eiffel Tower, its iconic landmarks shimmering in the twilight. We glided along the Seine River, a silent witness to history, before a dazzling illumination tour. The trip culminated in Amsterdam, where we cruised its tranquil canals, discovering a world of serene wooden houses and windmills that provided a perfect, poetic end to our grand European adventure.

Our international school trip was more than just a vacation. It was an immersive educational experience that will stay with us forever.

# CHATURANGA

## The Interschool Rapid Chess Championship 2025

### *A Grand Confluence of Strategy and Skill*

Summer Fields School, Kailash Colony, successfully hosted **Chaturanga – The Interschool Rapid Chess Championship 2025** on 24th and 25th July, in collaboration with **Indian Oil Corporation Ltd.** The event brought together over **400 participants** from **42 renowned schools** across Delhi and NCR in a celebration of strategy, intellect, and sportsmanship.

The event was graced by **Chief Guest Mr. Adhiban Baskaran**, Chess Grandmaster and Olympiad gold medalist, and **Guest of Honor Mr. Khushmeet Singh**, former International hockey player and Senior Manager at Indian Oil. Other dignitaries included **Chairman Shri Inder Dev Gupta**, **Principal, Ms. Shalini Agarwal**, **Ms. Neera Kanojia** (Head of Cambridge), and **Academic Advisor Mr. Ashok Arora**.

The ceremony began with the lighting of the ceremonial lamp and a vibrant **cultural performance** by students. The Principal, Ms. Shalini Agarwal welcomed the guests and emphasized chess as a builder of patience, strategic thinking, and life skills. The Chief Guest encouraged players to compete with passion and integrity.

The tournament, held under **FIDE regulations** in a **Swiss-system format** over **five rounds**, was officiated by **Chief Arbiter IA Amit Sharma** and divided into three categories: Classes **III–V**, **VI–VIII**, and **IX–XII**.

Winners were awarded **trophies, medals, certificates, and cash prizes** at the prize distribution ceremony. The event concluded with a heartfelt vote of thanks to all who contributed to its success.

More than a competition, **Chaturanga 2025** was a celebration of intellect, discipline, and community-honoring the timeless legacy of chess.

## GREEN DAY

The students of Nursery celebrated Green Day with great enthusiasm. Dressed in green attire, they radiated joy. Each child brought a unique green object from home, proudly sharing its significance. The celebration also taught them about importance of colour green in nature. It was a fun-filled day that sparked creativity and learning, making Green Day a cherished experience for all.

## SHOW AND TELL

The students of Kindergarten enthusiastically showcased their knowledge and creativity during a fun-filled Show and Tell activity on 'My Favourite Community Helper'.

The students smartly dressed up as their favourite community helper, explaining his role and importance with the help of props. This activity not only helped the children develop confidence and communication skills but also taught them to be empathetic and appreciative towards our community helpers.

Our students of Nursery demonstrated their sense of belonging and pride during a fun-filled Show and Tell activity on the theme 'My School'. They confidently spoke about what they love the most about their school. This activity nurtured their confidence, creativity, and encouraged self-expression.

## PARENTAL INTERFACE

The Parental Interface Program on the theme 'Helping Hands Around Us' was organised for the students of Kindergarten. Enthusiastic parents came dressed as different community helpers and spoke about the tools and duties associated with each profession. The interactive session fostered curiosity and respect in children for the helpers around them and strengthened the school-home connection.

A Parental Interface activity on the theme 'Ready for School' was organised for Nursery. The parents actively participated in engaging activities that helped children learn about daily school routine in a playful manner. The session strengthened the bond between parents and children while reinforcing important life skills.

## SCIENCE EXPERIENCE

### Magic Pepper And Soap

The students of Nursery explored learning through hands-on fun. With wide eyes and curious minds, they observed how pepper scattered instantly when soap touched the water, helping them understand the importance of soap and how it repels germs — like magic!

### Sink And Float

Our little scientists of Kindergarten discovered the magic of Science during the Sink and Float activity. With wide-eyed curiosity and joyful giggles, they dropped different objects into water to see what would sink to the bottom and what would float on top. It was a fun-filled experience that sparked wonder and excitement in every little heart.

## KIDDIES KITCHENETTE - FRUIT CHAT

A fun-filled Kiddies Kitchenette session was conducted where our little chefs prepared a healthy and tasty Fruit Chaat. They identified different fruits, mixed them and added a dash of chaat masala and lemon juice. The activity not only promoted healthy eating but also enhanced their fine motor skills and vocabulary.

## COMPETITIONS

A Clay Modelling Competition was conducted for the young artists of Nursery, giving them a chance to explore their creativity. The children enthusiastically shaped colourful clay into vegetables and fruits.

The activity encouraged fine motor skills, concentration and creative expression.

Our little poets of Kindergarten delightfully participated in the 'Hindi Recitation Competition'. This activity helped the children foster their language skills, confidence, and self-expression. It was heartwarming to see them recite poems with confidence and clarity.

## MOVIE TIME

Our young learners of Kindergarten thoroughly enjoyed watching the classic magical movie 'Alice in Wonderland'. The colourful characters, dreamy setting and fun adventures kept the little ones fully engaged throughout the show. It was a joyful and relaxing experience for them.

## CLASS ASSEMBLIES

Our students of Kindergarten - A conducted a vibrant assembly on 'Community Helpers'. Dressed as various helpers, the children confidently spoke about their roles in society, making our lives safe and comfortable every day.

The students of Kindergarten -F presented a delightful assembly on the theme 'The Magic of Monsoon'. The children dressed in colourful rain gear, confidently spoke about the Monsoon season and performed a lively dance.

The young scholars Kindergarten - G took the audience on a thrilling journey during their class assembly on the topic 'Means of Transport'. The assembly was a wonderful display of teamwork, confidence and creativity. It helped the children learn about the importance of transport in our daily lives in a fun and interactive way.

The tiny tots of Nursery A lit up the stage with a heart-warming assembly based on the theme 'Growing with Good Habits'. Our young learners shared simple yet essential tips on personal hygiene and keeping their surroundings clean.

The little learners of Nursery-B proudly presented a delightful assembly on the theme 'My School My Pride'. They confidently expressed their love and appreciation for school through colourful props and cheerful performances. The little ones expressed how their school is a joyful place of learning, friendship, and fun.

## Story Telling Session

Primary Plus organized a mesmerizing storytelling session for our curious minds of Nursery and Kindergarten. A captivating story transported our students to the world of wonder, imagination and magic. This enchanting session encouraged our students to develop their listening skills, vocabulary and creative thinking.

## मेला नाटक: अभिनय मंचन गतिविधि

उद्देश्य: 'नवीन पीढ़ी एवं पुरानी पीढ़ी की सोच का सम्मिश्रण ही भविष्य को सुंदर बना सकता है।'

कक्षा पाँचवी के छात्रों ने अभिनय मंचन के द्वारा सामूहिक गतिविधि करके सभी के समक्ष अपने अभिनय कौशल का प्रदर्शन किया और पाठ को गतिविधि के माध्यम से कक्षा में समझाया और यह भी बताया कि पीढ़ी की सोच का अंतर क्या है ?

वर्तमान सोच और पहले की पीढ़ी की सोच किस तरह की थी घर का खाना खाना बाहर के खाने से बीमारियाँ यह सब जानकारी बच्चों ने नाटक के माध्यम से दी और समय बचाने और पैसा बचाने के साथ-साथ पैदल चलने के लाभ भी बताए ।

मेला नाटक के अभिनय मंचन के माध्यम से न केवल छात्रों ने पाठ से शिक्षा प्राप्त करी और आनंद उठाया अपितु उन्होंने व्याकरण विषय श्विशेषण पर भी ज्ञान प्राप्त किया ।

**गतिविधि : "ए आई और चौट जीपीटी की तकनीकी दुनिया और उदास खिलौने"**

कक्षा दूसरी के समस्त छात्रों ने पाठ खिलौने की सभा के माध्यम से वर्तमान समय में ए आई और चौट जीपीटी जैसी तकनीक के प्रयोग के आगे खिलौनों के दुख को अभिव्यक्त किया है और सभी खिलौने किस प्रकार से अपनी व्यथा को बता रहे हैं यह बच्चों ने एक छोटी सी गतिविधि के माध्यम से सबके समक्ष प्रस्तुत किया । सभी तकनीकी सामान मोबाइल, इंटरनेट के अत्यधिक प्रयोग के कारण बच्चे दिन-प्रतिदिन अपने खिलौनों से दूर होते चले जा रहे हैं और उनका महत्व भूलते चले जा रहे हैं ।

गतिविधि के उद्देश्य को बताते हुए छात्रों ने स्वयं ही बताया कि किस प्रकार से इंटरनेट की दुनिया हमारे मस्तिष्क के विकास को संकीर्ण और संकुचित करती चली जा रही है और हमारे सोचने-समझने की क्षमता को क्षीण कर रही है । दूसरी तरफ यह भी बताया कि खिलौनों से खेलने से हम शारीरिक रूप से स्वस्थ रहते हैं साथ ही साथ शतरंज, लूडो पहेली आदि जैसे खेल खेलने से हमारा मानसिक विकास तीव्रता से होता है, हमारा दिमाग और भी तेज होता है ।

## Learning Beyond Books

Our students had a blast participating in various engaging activities that fostered learning, creativity, and teamwork. Students of Classes I to V showcased their artistic talents, creating stunning artwork on various themes using clay, cut outs, colours etc.

Hands-on activities helped students understand complex concepts in a fun way. These activities not only made learning fun but also helped develop essential life skills. We're proud of our students' enthusiasm and participation.

***"It's not the will to win that matters. Everyone has that. It's the will to prepare to win that matters."***

**- Paul "Bear" Bryant**

**Kaishveen Kaur** of Class IV brought glory to the school by securing Third position in the Inter School Eco Warrior Pitch Competition held at KR Mangalam World School, Vikaspuri.

We wish her a bright future ahead!!

## "Each One, Plant One"

Classes V-C and V-D presented an assembly on the topic Van Mahotsav on the 10th of July, 2025. "Van Mahotsav" translates to "The Festival of Trees". The participants encouraged the audience to plant trees and protect the environment, thus helping in combating deforestation and reducing pollution and preserving wildlife. They advocated the development of eco-friendly habits from a young age.

## "Good health is not just the absence of disease but the presence of vitality"

Classes II-C and II-D conducted an assembly on the topic "Health is Wealth" on the 14th of July 2025. They emphasized the importance of a balanced diet, physical exercise and proper sleep in order to stay healthy and fit. Also, they spread awareness about the harmful effects of junk food. An engaging Yoga session was conducted to promote physical and mental well-being. The assembly was informative and inspiring, leaving everyone with the strong message that true wealth lies in good health.

## Explore, Discover, Innovate: Science Week

The 'Science Week' was organized from 21 July 2025 to 25 July 2025. Students of Classes I to V took part in the various Intra Class activities. The activities provided a platform to the students to hone their skills while learning new facts.

The students showcased their scientific skills through various activities such as collage making, craft activity, science experiments etc. The aim of Science Week was to enable the students to acquire knowledge, conceptual understanding, skills to solve problems and to develop scientific enquiry.

## ***"Libraries were full of ideas – perhaps the most dangerous and powerful of all weapons."***

**-Sarah J. Maas**

In the of July, the junior school library organized myriads of activities, including newspaper reading sessions, which helped students expand their general knowledge, refine their language skills and develop critical thinking. We also hosted a thrilling 'Battle of Books' competition which motivated students to read diverse books and showcase their knowledge in a friendly contest. Additionally, a book fair was held, where book enthusiasts immersed themselves in a treasure trove of literary delights.

## Pledging for the Planet: Summer Fields Students Go Green!

Summer Fields School celebrated World Environment Day on 5 June 2025 with an oath taking ceremony wherein students pledged to protect the environment. The activity aimed to raise awareness and to take action to combat pollution. It, further, promoted eco-friendly habits and inspired responsibility towards nature.

## Financial Literacy Workshop Smart Money Habits for Smarter Educators!!

On June 28, 2025, finance expert Mr. Ranjit Kumar led a practical session for the teachers on managing personal finances. The main aim of the workshop was to equip the teachers to navigate economic challenges, avoid common financial pitfalls and to create a stable financial future. From SIPs and budgeting to investment planning, the workshop turned complex financial concepts into real-life strategies. The event ended with an interactive question-answer session and positive feedback from all attendees.

## Workshop on POCSO & Juvenile Justice Act

To raise awareness about child protection laws, a workshop was held on the POCSO Act (2012) and the Juvenile Justice (JJ) Act (2015) for the school staff on 30 June 2025 which was conducted by Ms. Janhavi Singh, a renowned legal expert. The session was interactive, informative, and empowered educators to ensure a safe and supportive environment for each child.

## Inner Peace Through Sahaj Yoga Spiritual Awakening in the Modern World

On June 27, 2025, Summer Fields School hosted a calming and enlightening Sahaj Yoga workshop led by Mr. Anish Kohli and Ms. Ruhi Talwar. All the teachers together with the Principal Ms. Shalini Agarwal participated in the workshop with enthusiasm. They were introduced to the power of Kundalini awakening, the seven chakras, and thoughtless awareness. A live meditation session left everyone feeling peaceful and deeply connected.

## Magic Show Delight!

On 14th July 2025, students of Class 1 and 2 were treated to a spectacular Magic Show at Summer Fields School in collaboration with Primary Plus. Magician Rishi mesmerized the young audience with amazing tricks and illusions-from vanishing objects to mind-reading acts. The students were thrilled, engaged, and full of excitement throughout the event. The show not only entertained but also sparked imagination and curiosity among the children.

A truly magical day to remember!

## Global Connections: SFS Students Engage in Indo-Japanese Cultural Exchange

The Japanese Exchange Programme began on a vibrant note, bringing together students and educators from India and Japan in a celebration of cross-cultural learning and collaboration. Held on 3rd and 8th July 2025 in the Senior and Junior Computer Labs of Summer Fields School, the sessions saw enthusiastic participation from Tokai Japan School, represented by Ms. Tomiyo Daini Kaita, and a Bengaluru-based school, represented by Ms. Shilpa. Summer Fields School was proudly represented by teachers, Ms. Amita Gulati, Ms. Tanya Singh, Ms. Diksha Verma, and Ms. Sakshi Anand, along with 12 students. The first session opened with introductions and an icebreaker activity where students shared their favourite personalities, dishes, and places, fostering immediate connections.

In the second session, students came prepared with a quiz based on Indian culture, which sparked a lively and interactive discussion. Japanese and Indian students participated with enthusiasm, with students from Rose Mary School, Bengaluru, showing particular excitement in engaging with their Japanese peers. The atmosphere was filled with curiosity and mutual respect, making the exchange both educational and memorable.

Host Sana Kondo appreciated the efforts of all participants, noting how well-prepared and confident the students were throughout both sessions. A special note of thanks goes to our Principal, Ms. Shalini Agarwal Ma'am, for her unwavering support and for providing this enriching opportunity. The programme successfully laid the foundation for deeper global understanding and continued cultural dialogue between the students of India and Japan.

## Summer Fields on the Global Stage Voice at the Octopus Cybercrime Conference

In a significant affirmation of our commitment to student safety in the digital age, Summer Fields School was proudly represented by Ms. Regina Dass at the globally renowned Octopus Cybercrime Conference 2025. The high-level summit was hosted at the prestigious Council of Europe in Strasbourg this June, bringing together a global crucible of experts, policymakers, and educators.

The conference agenda addressed the most pressing online risks of our time, moving beyond conventional cybersecurity to tackle sophisticated cybercrime, the rise of AI-generated threats, and the unique digital vulnerabilities faced by children and women.

Ms. Dass participated actively in key sessions focused on building international capacity and fostering digital resilience from the ground up-equipping educators with the foresight to protect the next generation.

Reflecting on the experience, Ms. Dass expressed her deep gratitude to our esteemed Principal, Ms. Shalini Agarwal, for her visionary support. This global engagement underscores the school's proactive vision of ensuring our students are not just academically accomplished but also prepared and protected for the complexities of the future.

## Summer Fields Band Rocks the Stage at Rang Bahaar 2025

Students of Summer Fields School participated in the Rang Bahaar (Battle of the bands) an Inter School Competition, organised by Ambiance Public School, Safdarjung, on 18th July 2025.

Displaying a amazing show of talent Tanisha Verma (XI A), Vaibhav Rautela (XI A), Aviraj Singh (IX F), Ryan Yaduvanshi (XII E) & Goonmay Sachdeva (XII E) has secured third position in the competition. Principal, Ms. Shalini Agarwal congratulated all the participants on their exemplary performance.

## Aarna Bajaj Shines at National Art Exhibition

Aarna Bajaj of Class VIII B has brought laurels to the school by securing the Third Prize in the prestigious Chitrakala Ratna Samman 2025, organized by U.S. Art Gallery. This national-level online art exhibition witnessed participation from over 120 budding artists across India, making Aarna's achievement more commendable. Her creative artwork stood out among numerous entries and earned her a trophy and a certificate of excellence. Her winning entry (Entry 68) was proudly featured on the official social media handles of U.S. Art Gallery, giving her national recognition. This accomplishment reflects Aarna's artistic talent, dedication, and passion for visual expression.

The school congratulates her on this remarkable achievement and wishes her continued success in her creative journey.

## SCHOLAR BADGE CEREMONY

On 17th July 2025, Summer Fields School, Kailash Colony, held its **Annual Scholar Badge Ceremony** to honour the outstanding achievements of its high-performing students. The occasion was graced by **Chief Guest Ms. Anita Yadav** (SDM, Saket, New Delhi), **Director Mr. Rahul Gupta**, esteemed guests, and proud parents.

The event featured captivating cultural performances, including a soulful instrumental piece titled *Bonzana*, a graceful Kathak recital, and an energetic Western dance—all met with enthusiastic applause. Meritorious students were awarded **certificates, ties, blazers, and trophies**, while those scoring above **95% in Class X CBSE Board Exams** received **scholarships** in recognition of their academic excellence and dedication.

Chief Guest Ms. Anita Yadav commended the students and encouraged them to pursue their goals with honesty and perseverance. Principal Mrs. Shalini Agarwal, in her address, emphasized that the scholar badges reflect not only academic success but also a commitment to growth. The ceremony concluded with a heartfelt vote of thanks by **the Head Girl and Head Boy**, acknowledging the support of the Chairman Mr. Inder Dev Gupta, school leadership, teachers, and parents. It was a proud and memorable day celebrating holistic student development.

## FELICITATION OF ONE-YEAR SCHOLARS CLASSES VI-VIII

In recognition of academic excellence and consistent dedication, Summer Fields School proudly felicitated the One-Year Scholars of Classes VI to VIII (session 2024–25) during the morning assembly held on 29th July 2025.

The event was a moment of great pride and motivation as the Principal, Ms. Shalini Agarwal, along with the Academic Coordinator, Ms. Amita Gulati, honoured the meritorious students with **certificates and scholar badges**. These awards celebrated the hard work, perseverance, and outstanding performance of students.

The Principal, applauded the efforts of the scholars and encouraged all students to strive for academic consistency and personal growth. The ceremony concluded with a loud round of applause and enthusiasm among the students.

## SFS Observes World Zoonoses Day with Awareness and Action

On **July 15, 2025**, Summer Fields School observed **World Zoonoses Day** with a special morning assembly held at the School Assembly. The program aimed to raise awareness about zoonotic diseases and the importance of maintaining a healthy balance between humans, animals, and the environment. A student opened the event with an informative speech on the significance of the day, highlighting the historic development of the rabies vaccine by **Louis Pasteur** in 1885 and the need for proactive disease prevention.

The assembly continued with a pledge led by **Principal Ms. Shalini Agarwal**, where students and teachers committed to staying informed about zoonotic diseases, practicing hygiene and responsible pet care, supporting vaccination, and promoting environmental and animal welfare. The pledge reflected the spirit of the **"One Health"** approach that integrates human, animal, and environmental health.

In her address, the Principal appreciated the students' efforts and stressed the importance of compassion, awareness, and education in promoting public health. The program concluded with a powerful reminder that individual action and awareness can lead to a safer, healthier world. The event was both enlightening and inspiring for all present.

## Young Changemakers Lead "Stop Diarrhoea" Awareness Drive at SFS

From **1st to 11th July 2025**, students of **Classes 6 to 8** at Summer Fields School actively participated in the **"Stop Diarrhoea" campaign**, aimed at promoting hygiene and preventing diarrhoeal diseases. Under the guidance of teachers and health educators, students engaged in a series of awareness activities that emphasized the importance of clean water, hand hygiene, sanitation, and a balanced diet.

The campaign featured **poster-making** on water conservation and diarrhoea prevention, **interactive sessions** on symptoms and safety measures, a **collective pledge** to maintain personal hygiene and raise community awareness and **live demonstrations** of proper 7-step handwashing techniques. Students also designed informative **brochures on healthy diets**, promoting the intake of fruits, vegetables, hydration, and ORS while discouraging junk food consumption.

The initiative was a great success, turning students into enthusiastic ambassadors of health and hygiene. It not only deepened their understanding of a critical health issue but also empowered them to adopt and promote lifelong healthy habits within their families and communities.

## "Fight the Bite" – Vector-Borne Disease Awareness Campaign

To raise awareness about vector-borne diseases and promote preventive health practices, Summer Fields School conducted a week-long **"Fight the Bite"** campaign on 24th July 2025. Students from classes 6 to 8 actively participated in informative and engaging activities focusing on diseases like **dengue, malaria, chikungunya, and Zika**, and how to prevent their spread.

The campaign featured a variety of activities including **poster-making on dengue and chikungunya, slogan writing, and awareness sessions** that emphasized cleanliness, use of mosquito repellents, and eliminating stagnant water. Students took a **pledge** to adopt preventive measures and spread awareness at home and in their communities.

The initiative was a great success, equipping students with practical knowledge and instilling a strong sense of responsibility. It encouraged students to become **young health advocates**, committed to building cleaner and healthier surroundings through conscious daily practices.

## "When Students Lead, Rivers Heal" Maa Yamuna Swachhata Abhiyan

On **17th July 2025**, students of our school enthusiastically took part in the **Maa Yamuna Swachhata Abhiyan (Mother Yamuna Cleanliness Campaign)**, aimed at promoting environmental conservation and river cleanliness. The event began with an insightful talk on the importance of the Yamuna River and the urgent need to protect it from pollution.

Under the guidance of their teachers, students cleaned the riverbanks, collected plastic waste, created awareness through posters and slogans, and penned essays on the theme. Their teamwork, discipline, and commitment were praiseworthy, fostering a deep sense of environmental responsibility.

The programme concluded with a collective **pledge** to protect natural resources and reduce pollution. We thank our Principal, Ms. Shalini Agarwal, for her unwavering support, and our Chairman, Mr. Inder Dev Gupta, for his visionary leadership in encouraging such impactful initiatives.

## Project Dolphin: Nurturing Young Stewards of Aquatic Life

The **"Project Dolphin"**, launched on **15th August 2020**, aims to conserve both riverine and marine dolphins across India. As part of this national initiative, the **Government of India** is organizing Dolphin Conservation Awareness activities in schools and communities to foster environmental responsibility.

In alignment with this mission, **Eco Club** activities were conducted in our school from 19th to 22nd July 2025, including:

1. **Pledge Ceremony** – 240 students of Class VI enthusiastically participated in the Dolphin Conservation pledge.
2. **Awareness Video Screening** – A special dolphin awareness video was screened for 260 students of Class VII in their respective classrooms.
3. **Painting Competition** – Students from Classes VI to VIII showcased their creativity and concern for aquatic life through a vibrant painting competition.

The Dolphin Conservation Project not only focused on protecting an endangered species but also instilled ecological awareness and a sense of responsibility among students. Through pledges, videos, paintings, and discussions, students actively engaged in understanding the significance of aquatic biodiversity.

## PLANTATION DRIVE BY INTERACT CLUB

On 15th July 2025 the Interact Club of Summer Fields School, Kailash Colony conducted Plantation drive, to save the environment, reduce pollution and to beautify the area.

The students enthusiastically brought saplings, placards and slogans. The students of interact club brought variety of plants/saplings like Tulsi, jade, aloe vera, snake plant, mint, money plant, etc. We started from school with slogans and banners to Atal Park. An MCD official and gardeners guided us in the park, and helped students plant their saplings and watering them with care.

The students had insightful learning experience for cleaner environment.

## Fuelling Health, Not Flames: Class VI's Culinary Creativity

*"To eat is a necessity, but to eat intelligently is an art."*

Summer Fields School organized a 'Food Without Fire' activity for Class 6 students in the month of July, with the aim of promoting healthy eating habits and raising awareness about the importance of nutritious food in daily life.

The activity encouraged students to prepare simple, healthy dishes without the use of fire, such as fruit and vegetable salads, sprout mixtures, and vermicelli-based preparations. Students enthusiastically participated in the event, displaying creativity and teamwork while preparing and presenting their dishes.

The activity not only helped students understand the value of healthy, homemade meals, but also sensitized them about the need to combat childhood obesity by making conscious food choices.

The Principal, Mrs. Shalini Agarwal, appreciated the efforts of the students and teachers and emphasized the importance of incorporating healthy eating habits from a young age. Overall, it was a fun-filled and educational experience that combined learning with practical life skills.

## Aatmanirbhar Bharat: The Spirit of 79 Years of Independence

To commemorate the **78th Independence Day of India**, Summer Fields School organized a range of enriching activities from 28th to 31st July 2025, as part of the MyGov Portal initiative. The events aimed to honour the sacrifices of freedom fighters and inspire students to reflect on India's progress toward self-reliance and empowerment.

Students of **Class VI** participated in an **essay writing competition** on "*Operation Sindoor*", expressing admiration for the courage of Indian soldiers and highlighting India's evolving counter-terrorism policies. **Class VII** students showcased their creativity in a **painting competition** themed "*New India: Empowered India*", envisioning India's global standing. **Class VIII** students created informative **reels**

titled "*Walk to the Monuments and Sites of Indian Independence*", spotlighting landmarks of the freedom movement.

**Class IX** participated in two quizzes: "*Role of Women in Shaping the New India*" and "*Bharat Ranbhoomi – Borders of India*", exploring women's contributions and India's strategic frontiers. **Class XI** students engaged in a quiz on "*Rise of Aatmanirbhar Bharat – Innovations in Indian Security*", displaying deep awareness of India's defense advancements and self-reliant vision.

All participants submitted thoughtful and well-researched entries, embodying a strong patriotic spirit. The initiative not only enhanced historical and civic knowledge but also fostered a sense of national pride and responsibility among students.

## Morning Assemblies: Nurturing Minds, Shaping Values

Morning assemblies at Summer Fields School for Classes VI to XII have served as a powerful platform to instill values, promote awareness, and strengthen character among students.

In the month of July, students presented thought-provoking assemblies on a range of relevant and meaningful themes such as *Moral Values, Benefits of Reading, World Population Day, Time Management, Teamwork, Global Warming, Patience and Perseverance, World Nature Conservation Day, and Unity in Diversity*.

These assemblies not only enhanced public speaking and presentation skills but also encouraged students to reflect deeply on societal and personal growth themes.

In line with the Directorate of Education (DOE) guidelines, each assembly included the practice of Positive Affirmations—a pledge taken by students to nurture a positive self-image, emotional resilience, and a growth-oriented mindset rooted in optimism.

## Wings of the Future: Exploring Aeronautics and Aviation

On 15th July 2025, Summer Fields School conducted an informative workshop on the Aeronautics and Aviation industry for Classes XI and XII, led by **Captain Payal Panjwani** and **Mr. Vaibhav Varun**. The session introduced students to **Aerospace and Aeronautical Engineering**, along with diverse **career opportunities** in aviation.

Captain Payal shared insights on **DGCA exams**, **airport functioning**, **airline operations**, and the **roles of aviation professionals**. Interactive discussions on **pilot training**, **cabin crew duties**, and **real-life case studies** kept students engaged and curious.

The session ended with an enriching Q&A, giving students a platform to explore their interest in the field further. Students expressed gratitude to Principal Ms. Shalini Agarwal for her continued support in providing such valuable exposure.

## WORKSHOP ON "ETIQUETTES AND MANNERS"

Summer Fields School, Kailash Colony, New Delhi conducted a workshop on "Etiquettes and Manners" for students of Class IX on 29th July 2025. The session was led by esteemed resource person, Mrs. Vandana Tandon, who brought a wealth of knowledge and experience to the topic. The primary objective of the workshop was to equip students with essential life skills, focusing on etiquette, manners, and social behaviour. Mrs. Tandon's expertise and engaging presentation style made the session both informative and interactive.

Students learned about the importance of greetings, introductions, and basic table manners.

Mrs. Tandon emphasized the significance of active listening, clear speech, and respectful communication. Students were advised on the importance of personal hygiene, dressing sense, and self-confidence. The workshop included engaging activities, such as role-playing exercises, group discussions, and quizzes, which helped students apply the concepts learned. These interactive sessions encouraged participation, boosted confidence, and fostered a sense of camaraderie among the students.

## Decoding the CS Profession: A Step Towards Strategic Careers Workshop for Classes XI & XII

On 15th July 2025, Summer Fields School conducted an insightful career awareness workshop on the profession of Company Secretary for Classes XI and XII, led by CS Preeti Grover, Regional Council Member of NIRC-ICSI (2025).

CS Grover shared her professional journey and provided a clear overview of the CS course structure, including the CSEET, Executive, and Professional Programmes. She emphasized that the CS qualification, recognized as equivalent to a postgraduate degree by UGC, opens doors to careers in teaching, research, and corporate governance. She also highlighted the role of a CS as a Key Managerial Personnel (KMP) alongside the CEO, CFO, and Executive Director.

The interactive session clarified student queries and inspired them to explore strategic career paths. Students expressed sincere gratitude to Principal Ms. Shalini Agarwal Ma'am for encouraging such enriching learning opportunities.

## Law and Legal Careers Workshop for Classes XI & XII

To provide students with valuable insight into the legal profession, Summer Fields School organized an enriching workshop on Law and Legal Careers for Classes XI and XII on 15th July 2025, led by Mr. Sarthak Tiwari, an experienced legal educator and career mentor.

Focusing on Career Opportunities in *Law and Application of Law*, Mr. Tiwari discussed the legal field's diverse scope—from criminal and corporate law to intellectual property and environmental law—highlighting law's vital role in daily life and policymaking. He emphasized essential skills such as analytical thinking, communication, and problem-solving.

Students were introduced to the Indian legal structure, including *Common Law* and *Alternative Dispute Resolution* (ADR) mechanisms. The interactive session sparked curiosity and offered students a clearer understanding of both the academic path and career prospects in law. The session left students inspired and better equipped to consider law as a career.

## POCSO And JJ Act Workshop

*“Protect Little Hands, Safeguard Innocent Minds”*

Summer Fields School, Kailash Colony, hosted a workshop on the Protection of Children from Sexual Offences (POCSO) Act and the Juvenile Justice (JJ) Act on 30th May 2025. The workshop, skillfully conducted by Ms. Janhavi Singh, aimed to empower teachers with a deeper understanding of the POCSO Act, its provisions, and the importance of protecting children from sexual abuse.

The session was highly interactive, and Ms. Janhavi Singh effectively underlined the objectives, making teachers aware of the various rights associated with children. She shared numerous real-life examples that will undoubtedly help teachers in the classroom and beyond.

The workshop provided a valuable opportunity for participants to clarify their doubts related to the POCSO and JJ Acts. This accomplishment is a testament to the unwavering dedication of our esteemed Principal, Ms. Shalini Agarwal, who encourages teachers to cultivate a love for learning and continuously upskill themselves.

## CBSE Capacity Building Programme on Disaster Management

*“Preparedness is the only way we can confront a natural disaster.” – John Quinlan*

On 26th July 2025, Summer Fields School hosted a CBSE Capacity Building Programme on Disaster Management, empowering teachers with essential 21st-century skills and enhancing their disaster preparedness. The session began with a warm welcome by Principal Mrs. Shalini Agarwal, who felicitated the keynote speaker, Ms. Sanjana Mittal, Deputy Director, Ashtavakra Institute of Rehabilitation Sciences & Research.

Ms. Mittal emphasized the evolving role of teachers, focusing on Bloom's Taxonomy, learning outcomes, well-being, and various disaster types and responses. A highlight was the role-play activity where teachers, divided into three groups, enacted different disaster scenarios to demonstrate preparedness and collaborative response strategies. The workshop also included four assessments, case study discussions, and interactive analysis.

The session concluded with a Vote of Thanks to Ms. Mittal for her valuable insights, Principal Mrs. Shalini Agarwal for her leadership, Chairman Shri Inder Dev Gupta for his encouragement, and all participating teachers for their enthusiasm. The programme proved highly enriching, equipping educators to foster a culture of safety and resilience.

## Workshop on CBSE Capacity Building Program (Competency-Based Assessment)

A two-day Capacity Building Program on Competency-Based Assessment was held on 10th and 11th July 2025 at Bal Bhavan Public School, Phase-II, Mayur Vihar, organized by CBSE to support the implementation of NEP 2020.

The sessions, led by CBSE resource persons **Ms. Neetu Jhatta** and **Mr. C.B. Mishra**, focused on aligning learning outcomes with assessment strategies. Through presentations, group activities, and practical exercises, teachers explored:

- Designing measurable learning outcomes
- Creating competency-based questions
- Evaluating conceptual understanding
- Applying real-life contexts in assessments

The program emphasized a shift from rote-based evaluation to a skill-oriented, learner-centric approach. Participants received CBSE model frameworks, guidelines, and sample papers to support classroom implementation.

Teachers appreciated the interactive and insightful nature of the training and expressed gratitude to the Principal, Ms. Shalini Agarwal for her continued support. The program empowered educators to bring a meaningful transformation in assessment practices.

## Workshop on Financial Literacy

*“A penny saved is a penny earned.” – Benjamin Franklin*

On 28th June 2025, Summer Fields School, Kailash Colony, conducted a valuable workshop on Retirement Planning and Smart Investment Strategies for teachers. The session was led by financial experts Mr. Ankit Kumar, Segment Head (New Delhi), and Mr. Ranjeet Kumar, Wealth Manager and Retirement Planning Expert from LIC of India.

After a warm felicitation of the speakers, Mr. Ankit Kumar introduced the importance of early financial planning, disciplined savings, and long-term investment goals. He also explained Mutual Fund options like SIPs, liquid funds, and small-cap funds using practical, relatable examples.

The session remained interactive, with teachers actively engaging in Q&A and discussions tailored to individual investment needs. The expert guidance offered by both speakers was insightful and well-received.

The session concluded with a heartfelt vote of thanks to the speakers for their valuable insights and to Principal Ms. Shalini Agarwal for her unwavering support in facilitating such meaningful learning experiences for the staff.

## Pride of Summer Fields: Ms. Talwar Honoured with Prestigious Award

We are immensely proud to share that Ms. Neerja Talwar, from the Social Science Department of Summer Fields School, has been conferred with the prestigious Eduluxe Crown of Education – Lifetime Achievement Award.

This esteemed recognition honours her remarkable contributions, unwavering dedication to academic excellence, and the profound impact she has made in the field of education over the years.

The school heartily congratulates Ms. Neerja Talwar on this commendable achievement and wishes her continued success in all her future endeavours.

## “One day as a scientist”: Igniting Young Minds at CSIR–NPL

Taking the direction of the Hon'ble Prime Minister and President CSIR, Shri Narendra Modi, CSIR celebrated “One Day as a Scientist” week across CSIR laboratories under its Jigyasa programme from 21 July to 25 July 2025.

22 students from Summer Fields School got the opportunity to be a part of this programme and visited CSIR – NPL on 25th July 2025. It provided students an opportunity to directly interact with scientists and researchers in CSIR laboratories, "One Day as a Scientist" fostered a deeper understanding of how science impacts society and drives technological advancements. This celebration of science was focused on providing students with:

a deeper understanding of how science impacts society and drives technological advancements. This celebration of science was focused on providing students with:

- Immersive scientific hands-on experimentation
- Interaction with scientists and researchers
- Experience cutting-edge facilities

A special thanks to our respected Principal Ms. Shalini Agarwal for giving students the opportunity to be a part of this programme..

## Report on STEM and Story Puppet Show Interschool Competition

An interschool **STEM and Story Puppet Show Competition** was held on **31st July 2025** at **Kalka Public School**, bringing together young innovators and storytellers from various schools across the city. The event aimed to foster creativity, teamwork, scientific thinking, and narrative skills among students.

Representing our school with enthusiasm and creativity were **Arik Choudhary (VII F)** and **Akshath Singh (VII F)**. Their performance skillfully integrated STEM concepts with engaging storytelling using puppets, captivating the audience and judges alike.

Their hard work and innovative presentation earned them the **Third Prize** among a highly competitive group of participants. It was a proud moment for our school and a testament to the talent and dedication of our students.

We congratulate Arik and Akshath for their commendable achievement and wish them continued success in future endeavors.

## Champions of the Ring: Summer Fields Shines Bright!

Seven students from Summer Fields School shined at the 34th North & East India Taekwondo ITF Championship 2025, held from 5th – 7th June at Jim Corbett, Uttarakhand. Competing against 400 participants from 10 states, they won a total of 21 medals - 7 Gold, 3 Silver, and 11 Bronze. Highlights include Prithvish Bhardwaj (5 Gold, 1 Bronze), Arsh Yadav (1 Gold, 1 Silver, 3 Bronze), and Tejbir Singh Sethi (1 Gold, 3 Bronze).

**Congratulations!! Keep shining.**

## Summer Fields Strikes Gold at Delhi District Taekwondo Championship 2025!

The Delhi District Taekwondo Championship 2025 was held on 26th July at Summer Fields School, Kailash Colony, New Delhi. Over 150 students from 10 schools and 20 clubs participated. Summer Fields School had 12 participants and won 6 Gold, 4 Silver, and 2 Bronze medals.

**Congratulations to each one!!**

## Remarkable Performance at the Delhi District Taekwondo Championship 2025!

Summer Fields School, Kailash Colony hosted the prestigious Delhi District Taekwondo Championship 2025, held on 26th July 2025. This championship witnessed spirited participation of enthusiastic students representing 10 schools and 20 clubs across the district. It was a moment of immense pleasure for the school as 12 students from our school demonstrated exceptional skill, discipline, and sportsmanship during the championship.

Our talented martial artists won a total of 6 Gold, 4 Silver, and 2 Bronze medals, showcasing the results of their relentless hard work and determination under the guidance of Bharat Kamat, Taekwondo instructor (Black Belt- 4 Dan). The gold medalists - Prithvish Bhardwaj (V), Kanak Garg (VII), Khushi (VII), Garvit Kumar (XI), Hitaishi Chawla (V), Mayan Kumar (III) and Pragati Agrawal (V) - made the school proud by securing top positions and getting selected for the upcoming Delhi State Championship.

The silver medalists -Arsh Yadav (VI), Tejbir Singh Sethi (VIII), and Ruhan Kumar (V) - showcased commendable skill and determination, earning well-deserved recognition, while the bronze medalists - Gurvir Pratap Singh and Divyanshu Azad (XII) - displayed great spirit and perseverance, contributing to the school's overall success.

The Principal, Mrs. Shalini Agarwal, congratulated all the participants and lauded their stellar performance. She expressed her delight in their achievements and motivated them to continue striving for excellence and encouraged them to keep pursuing excellence, making the school shine in future competitions with the same zeal. Kudos to all our champions!

# Summer Fields School Science Week 2025

The Department of Science at Summer Fields School successfully organized Science Week from July 28 to July 31, 2025, fostering scientific curiosity and critical thinking among students. The event featured a variety of engaging activities across different grade levels, inspiring active participation from both students and teachers.

Day 1 (July 28): The week began with a "Mindful Eating" competition for Class VI, focusing on food and nutrition, and a "Science Toon" event for Class VIII, which encouraged students to creatively express scientific ideas through cartoons.

Day 2 (July 29): This day included three separate events:

- A "Roleplay on Modern Gadgets" competition for Class VII, highlighting the benefits and challenges of technology.
- A "Fun with Science" session for Class IX, where students created and presented scientific games and toys.
- A "Science Quiz" for Class X, which tested students' knowledge of everyday scientific concepts.

Day 3 (July 30): Students from Classes XI and XII showcased their research skills through a Symposium with PPT Presentations. Topics included "The Rising Role of India in Astronomy" and "Effects of Lack of Chemical Elements in the Human Body." The day also featured a Science Exhibition on the theme of "Sustainable Development with the Concept of Smart City."

Day 4 (July 31): The week concluded with a unique opportunity for 22 students from the school to visit CSIR – NPL as part of the "One Day as

a Scientist" program. This visit provided an immersive experience where students could interact with scientists, engage in hands-on experiments, and learn about the real-world impact of science.

Science Week 2025 was a notable success, The week's success was a result of the meticulous planning by the Department of Science and was supported by the school's leadership, including Principal Ms. Shalini Agarwal and Head of Science Department Ms. Poonam Pandey.

## COMPUTER SCIENCE DAY

PowerPoint Presentation Competition was organized for Class 6 students on the topic “Computer Threats and Cyber Security”. The aim of the competition was to increase awareness among students about the dangers on the internet and how to stay safe while using computers. Students participated with great enthusiasm and presented creative and informative slides.

A Movie Making Competition was successfully organized for the students of Class 7 with the aim of enhancing their creativity, storytelling, and technical skills.

The event was a great success in encouraging students to explore multimedia tools and develop communication skills through the art of filmmaking. It also promoted teamwork, planning, and digital awareness.

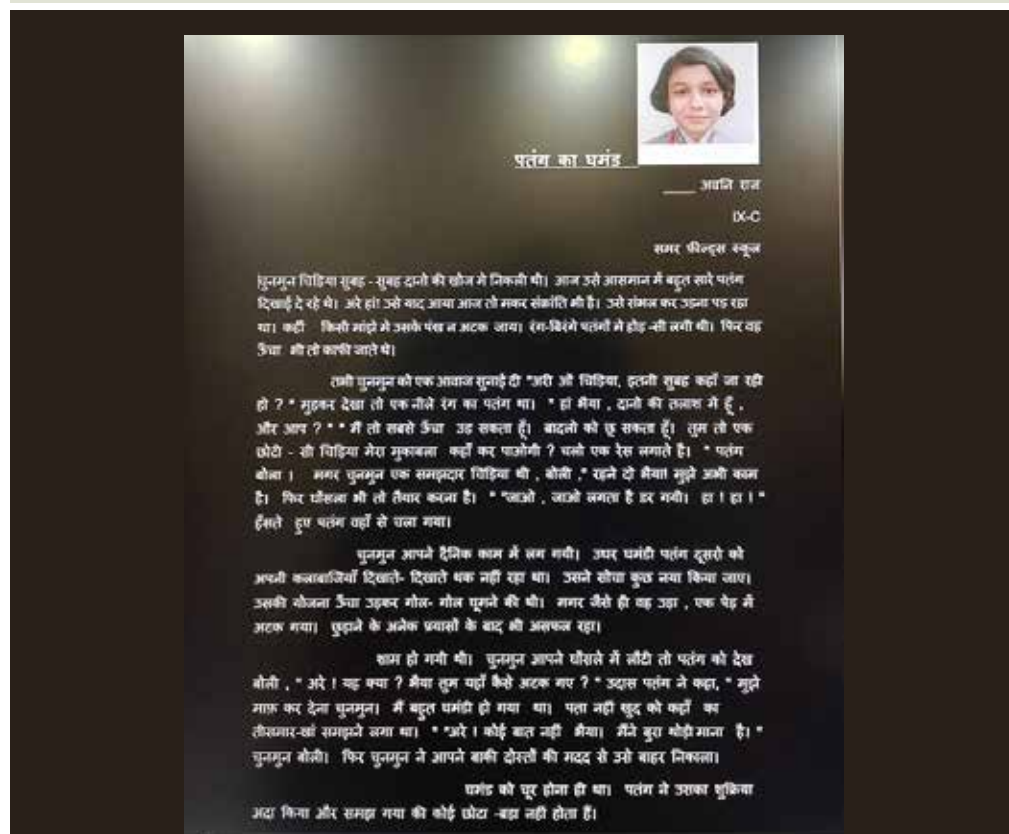

To encourage creativity and technological skills among students, a Website Making Competition was organized for Class VIII in the school's Senior Computer Lab. The competition witnessed enthusiastic participation from students who demonstrated their talent in web designing and content creation.

The theme of the competition was “Network Security and Threats” and students were asked to create a website using HTML and CSS. Some students even added interactive elements using JavaScript. The competition aimed to enhance students' knowledge of coding, improve their design sense, and promote awareness of socially relevant themes.

## Parent Teacher Meeting

The Parent-Teacher Meeting served as a valuable platform for parents and teachers to discuss the progress of the students. Open communication and meaningful insights enabled parents to understand their child's strengths and areas for improvement. The meeting strengthened the home-school partnership, supporting holistic development and paving the way for future success through collaborative efforts.

## Between Blocks and Becoming

We started in silence-with nothing but hands,  
Dropped into worlds we did not yet understand.  
The sun rose square, the sky was wide,  
And so we learned to survive, then to thrive.  
We punched the trees and mined the stone,  
Not knowing we were not alone.  
With every block, with every day,  
We shaped ourselves along the way.  
Through forests deep and caverns blind,  
We gathered more than what we mined-We gathered  
patience, courage, grace,  
And found our rhythm in that space.  
We met with failure, time and time,  
But respawned always, one more climb.  
The monsters came-we stood our ground,  
Not every battle made a sound.  
We built with joy, we built through pain,  
In red stone lines and windowpanes.  
Each castle, home, or clumsy shrine  
Reflected hopes we called "design."  
And now, as seniors, standing tall,  
We see the game beneath it all.  
It wasn't just about the play-But what we took from  
yesterday.  
That life is just another land,  
Where what you hold is what you've planned.  
Where some days feel like voids or sand,  
But still, you build with what you can.  
So thank you, Minecraft-not just for fun,  
But for the lessons, every one.  
For teaching us that time won't wait,  
But still allows us to create.  
And as we log off, one last time,  
We leave behind more than design.  
We leave behind a piece of heart-  
A world we built before we'd part.

### HAIKU (Painting in words)

Satyendra Kumar  
TGT, Comp Sc

*Before names were born,  
the mist rolled across the hills—  
nothing to divide.*

*This is not a stream.  
We named it, and lost the sound  
it once made alone.*

*Bud, not yet a name—  
still it holds the whole of spring,  
unknown, full, and clear.*

## नवप्रभात की उड़ान

नवपरिवर्तन — कोई जादू नहीं,  
ये हर सोच में छिपा एक बीज है, कहीं।  
जहाँ सवाल उठते हैं मन के अंदर,  
वहीं से बनती है नयी राह, सुंदर।

एक विचार... बस एक छोटा विचार,  
कभी बना है खोज, कभी बना है आधार।  
पेड़ नहीं उगते बिना बीज के,  
और बदलाव नहीं आते बिना नवीन सोच के।

कलम ने तीरों को हराया,  
एक बल्ब ने अंधकार मिटाया।  
सच कहूँ, हर नवाचार  
किसी जिज्ञासु मन की पुकार।

रोज़ वही करना अब पुरानी बात है,  
अब तो बच्चों की आँखों में नवप्रभात है।  
चाहे तकनीक हो या नई पद्धति,  
हर नई राह, एक नई क्रांति।

मैं भी उसी बदलते युग की कहानी हूँ,  
मैं भी एक चलती हुयी रवानी हूँ।  
हर सोच में चमक है, हर प्रश्न में जान,  
यही तो है नवपरिवर्तन की पहचान।

क्योंकि जब सोच से आगे बढ़ता है मन,  
तभी होता है असली परिवर्तन।

By Maanvi Pandey (VII B)

## NAKED?

*As you load the barrel of the gun,  
With eyes spitting fiery hate,  
You'll soon come to understand how  
The soldier once invincible  
Will stand in the battlefield, all naked.*

*Naked to the wretched, wrathful gaze  
Of enemies across the bloodstained field,  
Naked to the .57 caliber round  
That to your flesh will yield.*

*Naked to the silence cloaking night,  
Numbing the mind of peace and calm,  
Naked to the screams of the undead  
Echoing deep in your mind, unarmed.*

*What will you tell them, oh my friend,  
When the dead comrade's family  
Looks to you with glimmering hope,  
Knowing well the father of the children,  
The wife's other half, the mother's boy,  
The father's lil' chump revered.*

*What will you tell them, oh my friend,  
When his daughters, practicing ballet  
To show their dear father,  
Look up at you with faith  
That he stands just around the corner.*

*How will you tell them, oh my friend,  
That their father, their better half,  
Their little boy, their lil' chump  
Has indeed returned  
But in a wooden, teakwood box?  
How will you meet their gaze  
As you hand the children  
Their father's final letter?*

*As you give the wife his wedding ring,  
Clutched tight as he embraced death,  
Open-armed and blissfully?  
As you give the parents  
His bloodstained uniform, proudly sewn  
With medals, certificates, and souvenirs?*

## A Soul Named Cookie

Olivia was depressive and melancholic,

Her parents seeing her lonely,

Decided to get her a puppy.

Stunned by the cuteness and chubbiness  
of the dog,

She was surprised and felt like she was in  
the seventh heaven,

And named the dog as "COOKIE".

As she grew up,

The dog became her best friend.

She used to be very joyous and merry around the dog,

They both used to play, eat, and walk together.

Cookie defined his name as being a very sweet, playful, and joyous  
dog.

Until one day,

Cookie wasn't well, having bouts of vomiting and fever.

Taken to the vet, it was told that Cookie had parvo and very little  
time to live.

Olivia was heartbroken, seeing her best friend in pain.

She took meticulous care of her dog but his life was planned.

The dog was going to turn into a soul but just before that,

He thanked Olivia for whatever she did to make the dog's life the  
finest.

Cookie left Olivia,

But he left his favorite toy and his favorite ball which he let no one  
touch or throw.

On finding these things,

Olivia cried and realised that she made a beautiful soul.

## मेरा भारत महान है

जिस पावन धरा पर लाखों वीरों ने जन्म लिया ,

जिस के कण-कण में शौर्य और बलिदान बसा,

रक्त की धरा पर जिसका इतिहास लिखा,

हाँ वो भारत ही है जिसने हर तूफान जीता ।

जहाँ बलिदानों की गूँज से काँपता आसमान है,

जिसका कोना-कोना वीरों की पहचान है ।

वह भारत महान है,

मेरा भारत महान है ।

हिमालय की ऊँचाई से ऊँचा जिन वीरों का मान है,

जिनके लिए सबसे बड़ा धर्म हिंदुस्तान है ।

वह सरहद पर प्रहरी बनकर खड़ा हुआ ,

उनकी नसों में बहता अंगार है ।

उन वीर बेटों को मेरा शत-शत प्रणाम है,

गगन चुंबी पर्वत भी झुकते जिनके आगे,

धरती भी ठहर जाए जब ये अपना रण कौशल दिखलाते ,

तो अब चुप क्यों हो ? भारत माता के संग इन वीर बेटों की जय बोलो ।

जहाँ पवित्र गंगा की बहती धारा हृदय में जोश जगाती है,

हाँ यह वही भूमि है जहाँ शहादत हर सैनिक की गाथा बन जाती है ।

तो अब चुप क्यों हो इन वीर बेटों की जय बोलो,

जो हँस कर सूली पे चढ़ जाते हैं ,

जो अपनी अंतिम सांस को, माँ पर अर्पित करके जाते हैं ।
